<u>FUNDING REQUEST</u>	<u>TOTAL BUDGET % OF THE REQUEST</u>	<u># OF CLIENTS BENEFITTED OR STATISTICS</u>
City of Cheyenne \$84,955.00	42.3	444 clients 1,478 client days

Service:

The primary purpose of the Alcohol Receiving Center is to provide a supportive and recovery oriented setting to assist clients to safely detoxify from alcohol and other drugs of abuse. Inherent in this purpose is the order and welfare of the community at large, including judicial use of law enforcement facilities and other resources.

The Center attempts to keep clients beyond the initial detoxification period, three to five days, to encourage them to engage in ongoing substance abuse treatment. As a result, we have seen more of them enter outpatient or residential treatment with a consequent reduction in repeat detoxification admissions.

The Center is open and staffed for admissions 24 hours a day, 7 days a week, throughout the year. Clients are monitored every 15 minutes and are taken by staff or ambulance for emergency medical care as needed. Meals and other sustenance are provided as well as referrals for shelter, medical and mental health care, employment, AA and NA, and other supportive resources.
