Upon inquiry, Barb Dorr, City Treasurer advised a voucher payable to the Internal Revenue Service (\$85,640.23) was contained on the listing to reflect it is being removed from the system for payment as a penalty assessed by the IRS had been issued in error. A transfer of ownership for a retail liquor license application filed with the City Clerk's Office for Bedrock Seafood, Inc., d/b/a River Mountain Seafood Restaurant, 112 W. 17th St., Cheyenne, WY. (License currently held by JKLL, Inc., d/b/a Game On Sports Bar, 112 W. 17th St., Cheyenne, WY.) John Swatzel, Vice President of Bedrock Seafood, Inc., applicant, introduced himself and explained the positive reception he is receiving from staff and the community relative to the proposed new business operation. There being no further comments or input and purpose of the hearing having been met, Mayor Spiker closed the hearing. The item was referred to Finance Committee.

A transfer of location for a retail liquor license application filed with the City Clerk's Office for HEJE, Inc., [d/b/a to be determined], 4503 Western Way, Cheyenne, WY. (License currently located at 3839 E. Lincolnway, Cheyenne, WY.) Upon inquiry regarding the new site location proposed for license operations, and anticipated use under the license, Carol Intlekofer, City Clerk, advised the retail liquor license is proposed to be transferred from its currently "parked" site known as the former Outlaw Saloon on E. Lincolnway to 4503 Western Way, and operations under the license will be for a package store only (no lounge) without a drive-up window. Ms. Broyles submitted copies of a map depicting the proposed new location for the license. Comment followed regarding Ward III residents' concerns with placement of a package liquor store establishment in the area, and it was noted a grant was being sought to provide more law enforcement presence in the vicinity. John Rogers, attorney speaking on behalf of HEJE, Inc., applicant, submitted a copy of the written decision from the Board of Adjustment allowing zoning approval for the placement of the package store at the new site. There being no further comments or input and purpose of the hearing having been met, Mayor Spiker closed the hearing. The item was referred to Finance Committee.

"AN ORDINANCE AMENDING SECTION 6.12.020, RABIES TAGS, OF CHAPTER 6.12, DOG AND CAT REGISTRATION, AND SECTION 6.16.020, RABIES VACCINATION REQUIRED, OF CHAPTER 6.16, RABIES CONTROL, OF TITLE 6, ANIMALS, OF THE CODE OF THE CITY OF CHEYENNE, WYOMING." John Fafoutakis spoke in support of the ordinance. Reporting for Public Services Committee, Mr. Segrave moved to approve on third and final reading, seconded by Mr. Pierson. Mr. Segrave moved to amend by substitute, seconded by Mr. Pierson. It was advised the substitute addresses registration concerns. Karon Volk spoke in favor of the substitute. Upon inquiry, Bob Mason, City Staff Attorney, clarified that language contained in Section 6.12.020(A), referring to animal registration for Cheyenne/Laramie County, meant that registration acquired through local veterinary offices will pertain to both city and county residents. Discussion topics included: County Board of Health's approval of the rabies vaccination being administered every 3 years as an option; current ordinance history; input on proposed ordinance changes from local veterinarians, dog breeders and the Director of the Cheyenne Animal Control/Shelter; rabies vaccination, registration and regulation; due diligence efforts to provide notification of proposed changes to the community; concern with potential rabies outbreak in the community, and purpose of the ordinance. John Rogers expressed support for the ordinance change, and indicated his belief that, due to local media coverage, adequate publicity on the proposed ordinance had been provided. Mr. Fafoutakis commented in support of the proposed substitute, and Ms. Volk advised the proposed ordinance doesn't change reporting or animal registration requirements. Further discussion

continued on pet owners' requirement to update information for yearly registration with their veterinarian's office, and language pertaining to Section 6.12.020(A) previously referenced, with further information provided by Attorney Mason. Mr. Brown moved to amend the substitute by striking the words "Cheyenne/Laramie County" from Section 6.12.020(A), and inserting "City of Cheyenne", seconded by Mr. Collins. Upon inquiry, Acting City Attorney Bob Nicholas stated the inclusion of Laramie County was more for informational purposes, not a mandatory requirement, and, during discussion, Attorney Mason provided further information relative to the reference to Laramie County. Discussion followed on the proposed amendment. It was advised that currently the County provides pet owners the option of three year vs. annual vaccinations. Motion to amend failed (due to a tie vote). Voting "yes" – Mr. Brown, Ms. Broyles, Mr. Collins, Dr. Rinne and Mr. Segrave. Discussion continued on the main motion as amended and included: Vaccination certification time frames; yearly registration requirement and any affiliated fees that may be assessed by veterinarians; Animal Shelter's involvement with registration, and concerns with wild animals within the City that may be rabies carriers.
