

**RECORD OF PROCEEDINGS FOR THE GOVERNING BODY
OF THE CITY OF CHEYENNE**
Office of City Clerk

July 12, 2010

The Governing Body of the City of Cheyenne met in regular session on this date beginning at 6:00 p.m. in Council Chambers. Present were: MAYOR - Richard L. Kaysen; COUNCIL MEMBERS - Mr. Brown, Ms. Broyles, Ms. Case, Dr. Rinne, Mr. Spiker and Mr. Valdez. Absent: Ms. Ash, Mr. Collins and Mr. Pierson. Also present: Carol Intlekofer, City Clerk; Barb Dorr, City Treasurer, and Dan White, City Attorney. The pledge of allegiance was recited.

Consent Agenda. (All agenda items listed with the designation of [CA] are considered to be routine items by the governing body and will be enacted by one motion. There will be no separate discussion on these items unless a member of the governing body so requests and support by two other members is received. Any item removed from the Consent Agenda will be considered in its normal sequence on the agenda.) Upon request by Mr. Brown, and pursuant to support received by Ms. Broyles and Mr. Spiker agenda items #19(a) and (b) were removed from the Consent Agenda. Mr. Brown moved to approve remaining Consent Agenda items, seconded by Mr. Spiker. Motion carried. Voting "yes" – all members of the governing body present.

[CA] Minutes from Regular Meeting of the Governing Body on June 28, 2010. Motion (per Consent Agenda) carried.

[CA] Minutes from Vouchers Meeting of the Governing Body on July 6, 2010. Motion (per Consent Agenda) carried.

Mr. Brown declared a conflict of interest (business interest) due to a voucher payable to Ameri-Tech HVAC Services, and vacated Council Chambers. Mr. Valdez moved to approve payment of vouchers as presented, seconded by Mr. Spiker. Upon inquiry, City Treasurer Barb Dorr reviewed a voucher payable to All-Irwin Corporation (\$285.13), and for Airport Golf Course, and explained payment of sales tax was included as other states do not have to recognize Wyoming's state sales tax exemption for municipalities. Motion carried. Voting "yes" – all members of the governing body present in Council Chambers. Following announcement of the vote, Mr. Brown returned to Council Chambers.

"An Ordinance repealing Chapter 5.72, Public Transport, in its entirety and re-creating Chapter 5.72, Public Transportation, of Title 5, Business Licenses and Regulations, of the Cheyenne City Code." Reporting for Finance Committee, Mr. Brown moved to approve on second reading, seconded by Mr. Spiker. Comments followed regarding Section 5.72.010 C. which provides authorization for the police chief to recommend denial of an application within a one year time frame of an applicant being convicted of various offenses, and costs associated with fingerprinting and background checks. Upon inquiry, Lt. Mark Munari, Cheyenne Police Dept., advised research conducted reflected the one year review time frame was comparable with what other cities have in place, and provided information on fees assessed per state law for applicant background checks. Mr. Spiker moved to amend Section 5.72.030 D. to change the word "may" to "shall", seconded by Ms.

Broyles, which would enable the section to read as follows: “The chief of police SHALL impose a reasonable fee for costs associated with any criminal or other background investigation of an applicant, including the costs of fingerprinting.” Lt. Munari advised the same language appears in Section 5.72.050 C. Mr. Spiker, with concurrence by Ms. Broyles as second to the motion, revised the motion to include the same change to Section 5.72.050 C. and any other areas in the ordinance pertaining to the same topic and fee. Donald James Perot McNeil commented that the word “shall” is more forceful than “may”. Discussion followed on providing discretionary authority for the police chief through the more permissible term “may”, and consistency in assessing a fee for fingerprinting and background checks. Following inquiry to Mr. Spiker, as maker of the motion, Mayor Kaysen clarified the specific ordinance sections proposed for change (i.e. striking “may” and inserting “shall”) pursuant to the motion to amend were Section 5.72.030 D. and 5.72.050 C. Motion to amend carried. Voting “yes” – all members of the governing body present with the exception of Ms. Case voting “no”. Upon inquiry, City Attorney Dan White clarified the current smoking in public places ordinance prohibits smoking in public transportation conveyances, and advised the inclusion of wording in the ordinance pertaining to the prohibition of cell phone use while operating a conveyance was to make it perfectly clear that drivers can not conduct business through use of a cell phone while driving unless they are in compliance with city code. Main motion as amended carried. Voting “yes” – all members of the governing body present with the exception of Ms. Case voting “no”.

“An Ordinance annexing to the City of Cheyenne, Wyoming, a parcel of land being situated in a portion of tracts 7 and 10, Dell Range Addition, 2nd Filing; Lot 3 Smithson View, together with a portion of Carla Drive, Thomas Road and College Drive, Laramie County, Wyoming (generally located north of and adjacent to Carla Drive, between Ridge Road and College Drive).” Reporting for Public Services Committee, Dr. Rinne moved to approve on second reading, seconded by Mr. Brown. Motion carried. Voting “yes” – all members of the governing body present.

“An Ordinance amending Title 17, Zoning, Chapter 17.08, Zoning Districts Established and Section 17.08.040 Cheyenne City map of the Cheyenne City Code, by changing the zoning classification from P Public District to HR-2 High Density-Residential Developing District for Fincher Block, a replat of Lots 1-8, Block 193, and vacated 16-foot alley contained within said Block 193, Original City, Cheyenne, Wyoming (located between Bradley and Morrie Avenues, and E. 22nd and 23rd Streets)” -- referred to Public Services Committee (sponsor - Ms. Ash).

“An Ordinance amending Title 17, Zoning, Chapter 17.08, Zoning Districts Established and Section 17.08.040 Cheyenne city map of the Cheyenne City Code, by changing the zoning classification from P-Public, MR-1-Medium Residential Established and LI-Light Industrial Districts to LI-Light Industrial District for BOPU Subdivision, a replat of portions of Blocks 98, 99, and 151; all of Blocks 149 and 150; and vacated streets and alleyways, Original City, Cheyenne, Wyoming (located at the northwest corner of the intersection of Snyder Avenue and W. 24th Street)” -- referred to Public Services Committee (sponsor - Ms. Ash).

“An Ordinance amending Title 17, Zoning, Chapter 17.08, Zoning Districts Established and Section 17.08.040 Cheyenne City map of the Cheyenne City Code, by changing the zoning classification from P Public District to MUR Mixed Use-With Residential Emphasis District for Garey Addition, 2nd Filing, a replat of a portion of Lot 2 and all of Lots 3 and 4, Garey Addition, Cheyenne, Wyoming (located north of and adjacent to W. Fox Farm Road, West of Walterscheid Boulevard)” -- referred to Public Services Committee (sponsor - Ms. Ash).

“A Resolution supporting the continuation of the Optional One Percent Sales Tax for Calendar Years 2011 through 2014 and pledging that all revenues from this tax will be used for projects described in this resolution.” Speaking in support of the resolution and funding for community Human Services agencies were: Connie Sloan-Cathcart, United Way of Laramie County; Carol Matteson Pascal; Judith Johnston, Foster Grandparent program; Ken Burke, Laramie County Centralized Pharmacy; Lynne Weidel, Cheyenne Community Health and Wellness Center, and Sharon Benson, Meals on Wheels. Comments referenced the history of when Human Services agencies were included in 5th penny sales tax funding; community partnership and goals; Human Services Advisory Committee’s role; funding amount allocated to agencies; support for the joint application and review process involving the City/County and United Way; use of funding received to match federal and state dollars for programs, and funding continuation to assist with increased program usage. Joe Morelli questioned use of overage monies, and prioritization of road projects, specifically Christensen Road. Donald James Perot McNeil spoke in opposition to the 5th penny sales tax ballot question in general. Karolyn Middleton questioned funding for the Christensen Road overpass project relative to the improvement benefitting private developers, and Pacomio Sandoval expressed concern with use, including the approval process, of overage monies. Mr. Brown moved to adopt, seconded by Mr. Valdez. Mr. Brown moved to amend by substitute resolution which amends page 2, Sections #7(d) and #7(e), Street and Road Maintenance and Construction projects, by reversing the prioritization order to reflect #7(e) (Design and environmental clearance for Christensen Rd. overpass) as #4 and #7(d) (Replace culverts at 19th St. and Crow Creek and Hilltop over Dry Creek) as #5, seconded by Ms. Broyles. Ms. Case raised a point of clarification regarding the public comment process with Mayor Kaysen advising he would divert from the normal procedure if the public has further questions/comments. Discussion topics included the purpose for the proposed change in the priority listing; anticipated revenue level, which may not be sufficient to fund all of the priority items; Christensen Rd. overpass project, which involves design, not construction, to have a “shovel ready” project when funding is available; culvert replacement project, and future fire station planned for the Christensen Rd. area and response time the overpass would provide. John Volk, Campstool Land Co., provided information on development of land in the Christensen Rd. area, noting land donations for rights-of-way and infrastructure assistance that have been provided by the company; spoke in favor of the Christiansen Rd. overpass work that will assist with vehicular connection to that part of the City, and future commercial recruiting and development in the area, and commented on the importance of design-ready projects, limited funding sources available, growth in the eastern part of the community and economic development. Upon inquiry, Vicki Nemecek, Asst. Public Works Director, explained the optional one percent sales tax revenue collection process and time frame, and stated the amount estimated to be collected for the next 4 year term is \$40,000,000. She further explained the definition of overage monies (funds collected that exceed the estimated amount), noting the resolution specifies that 80% of any overage funds is to be utilized for street and road maintenance and construction projects as proposed in the resolution, and provided information on projects that will not be funded unless overage funds are received. Concern with public input and timing for input was expressed by Mr. Morelli, and concerns with funding the Christensen Rd. overpass project were conveyed by Mr. Morelli and Mr. McNeil. Ms. Pascal questioned the percentage distribution for use of overage monies, if received. Ms. Nemecek explained the public meeting and governing body approval process involving use of overage funds. Motion to amend by substitute carried. Voting “yes” – all members of the governing body present. Mr. Spiker moved to amend the second “Be It Further Resolved” paragraph as follows: “Excess monies shall be distributed as follows: 80% shall be allocated to Street and Road Maintenance and Construction projects listed on page 2 of this resolution; 10% shall be distributed to Human Services Agencies in accordance with recommendations made by the Human Services Advisory Council and approved by the governing body; and the remaining 10% of excess monies shall be spent for such purposes, as may be approved by the governing body following a public

hearing,” seconded by Ms. Broyles. Mr. McNeil commented in opposition of the sales tax ballot question. Upon inquiry, Mr. Burke provided information on the type of medications distributed through the Laramie County Centralized Pharmacy program, and Ms. Johnston clarified volunteers, who must meet Federal guidelines, for the Foster Grandparent program receive a Federal stipend amount for personal use. Discussion on the proposed amendment involved comment that Human Services agencies will not benefit from the amendment unless overage monies are received, history of 1% sales tax funding for Human Services agencies since 1986, and suggestion that proposed funding for Street and Road Maintenance and Construction be reduced by \$400,000 and inserted in the Human Services agencies line item. Mr. Spiker withdrew his motion to amend. Dr. Rinne moved to amend to redistribute \$400,000 from the proposed Street and Road Maintenance and Construction line item and to the line item for Human Service agencies, and in the second “Be It Further Resolved” paragraph to change 80% of excess monies allocated to Street and Road Maintenance and Construction to 90%, leaving the remaining 10% of excess monies to be spent for such purposes as may be approved by the governing body following a public hearing, seconded by Mr. Spiker. Ms. Sloan-Cathcart spoke in favor of the motion to amend, and provided additional information on the stipend received by volunteers involved with certain programs. Upon inquiry by Mayor Kaysen, Ms. Broyles, as second to the motion to amend as previously made by Mr. Spiker, concurred with Mr. Spiker’s request to withdraw the motion. Ms. Case raised a parliamentary procedural question involving the proper process to be followed under Robert’s Rules of Order (RROO) relative to withdrawing a motion after it “belongs to the body.” Following discussion on parliamentary procedures, Mayor Kaysen indicated the governing body could vote on the previous motion offered by Mr. Spiker, and stated the wording of the motion. Upon inquiry, City Attorney Dan White, referenced RROO and advised before a motion has been stated by the chair, it is the property of the mover, who can withdraw the motion; if the chair has stated the question then it is the property of the Council and should be voted upon prior to acting on a secondary motion as offered by Dr. Rinne. He offered to research RROO further if desired. Mayor Kaysen recessed the meeting for 10 minutes to allow further procedural review by Mr. White. Mayor Kaysen reconvened the meeting at 7:55 p.m. and stated Mr. Spiker’s motion to amend remained on the floor. Mr. Spiker requested his motion be withdrawn. Mayor Kaysen questioned whether there was any objection by City Council members regarding the request to withdraw the motion and, upon no objection being voiced, stated the motion was being withdrawn. Dr. Rinne reiterated his previous motion to amend to redistribute \$400,000 from the proposed Street and Road Maintenance and Construction line item and move the amount to the line item for Human Services agencies, and in the second “Be It Further Resolved” paragraph to change 80% of excess monies allocated to Street and Road Maintenance and Construction to 90%, leaving the remaining 10% of excess monies to be spent for such purposes as may be approved by the governing body following a public hearing, seconded by Mr. Spiker. Discussion followed on the intent and effect of the motion to amend with regard to community street and road projects and amount of overage funds that would be required to replenish the amount proposed to be removed from that line item; status of the West Pershing, west of Snyder Avenue, project; intent of the resolution, as initially presented, to use 80% of funding for street and road projects, and leaving monies earmarked for projects as is. During discussion, Jim Elias, Public Works Director, and Ms. Nemecek provided information on the estimated overage amount that would need to be collected to replenish the line item if it were reduced, and Doug Vetter, City Engineer, advised the West Pershing project is being designed by WYDOT with construction anticipated to begin in 2012. Motion to amend failed. Voting “yes” – Dr. Rinne and Mr. Spiker. Voting “no” – Mr. Brown, Ms. Broyles, Ms. Case, Mr. Valdez and Mayor Kaysen. Mr. Spiker moved to amend the second “Be It Further Resolved” paragraph concerning excess monies to read “Excess monies shall be distributed as follows: 80% shall be allocated to Street and Road Maintenance and Construction projects listed on page 2 of this resolution; 10% shall be distributed to Human Services agencies in accordance with recommendations made by the Human Services Advisory Council and approved by the governing

body; and the remaining 10% of excess monies shall be spent for such purposes, as may be approved by the governing body following a public hearing,” seconded by Mr. Valdez. Mr. McNeil stated he did not see the necessity of the amendment. Upon inquiry, Ms. Nemecek reviewed the purpose of removing revolving loan fund language from the second “Be It Further Resolved” paragraph, indicating use of revolving loan funds has been approved by a separate resolution and is coordinated through Urban Planning, as well as removal of wording in the same paragraph relative to excess funds that may be used to repair City facilities, explaining this is already included in individual line items. Comments followed regarding the motion on the floor vs. removal of additional language as discussed by Ms. Nemecek. Motion to amend carried. Voting “yes” – all members of the governing body present with the exception of Mr. Brown and Ms. Case voting “no”. Upon inquiry, Ms. Nemecek advised an additional amendment, pursuant to her previous comments, would serve to “clean up” language in the second “Be It Further Resolved” paragraph and that the proposed change in wording was pursuant to recommendation by the City Attorney. Mr. Spiker moved to amend by striking the following sentences at the end of the second “Be It Further Resolved” paragraph: “This portion of excess funds may also be used to construct and repair city facilities and establish a revolving loan fund to assist property owners in repairing or building infrastructure (curb, gutter, sidewalk, streets, utility connections, etc.). Appropriation of the remaining 20% of excess interest or overage funds requires a public meeting and approval of the governing body.”, seconded by Mr. Valdez. City Clerk Carol Intlekofer requested clarification of the wording of the motion with regard to the previous amendment to the paragraph. Ms. Nemecek reviewed the intended wording for the paragraph. Mr. Spiker clarified intent of his motion to amend would result in the following paragraph wording in its entirety: “Be It Further Resolved that all funds realized from the 2011-2014 optional one percent sales tax shall be spent to complete one percent sales tax projects. Funds collected from the optional one percent sales tax which exceed the estimate of \$40,000,000 (overage funds) and interest earned on one percent sales tax fund deposits which exceed administrative costs (excess interest funds) are for the purposes of this resolution collectively described as ‘excess monies’. Excess monies shall be distributed as follows: 80% shall be allocated to Street and Road Maintenance and Construction projects listed on page 2 of this resolution; 10% shall be distributed to Human Services agencies in accordance with recommendations made by the Human Services Advisory Council and approved by the governing body; and the remaining 10% of excess monies shall be spent for such purposes, as may be approved by the governing body following a public hearing.” Motion to amend carried. Voting “yes” – all members of the governing body present. Comment was made that certain items under #7 on the Street and Road Maintenance and Construction priority listing will be unfunded if overage revenues are not received, and, if the items are listed, the public may perceive these as projects to be completed. Dr. Rinne moved to delete items #7(c)(d) and (e) from the priority listing. Motion died due to lack of a second. Main motion as amended three times carried. Voting “yes” – all members of the governing body present. (#5224)

[CA] “A Resolution authorizing the Mayor and the City Clerk to sign a Final Plat for Cheyenne Business Parkway, First Filing Refinement A, a replat of Lots 10 and 11, Block 1, Cheyenne Business Parkway, First Filing, Cheyenne, Wyoming (located at the northwest corner of the intersection of Echostar Drive and Campstool Road)” -- referred to Public Services Committee (sponsor - Ms. Ash).

[CA] “A Resolution acknowledging receipt of the Cheyenne Safety Assessment Report prepared by DiExSys LLC for the Cheyenne Metropolitan Planning Organization” -- referred to Public Services Committee (sponsor - Ms. Ash).

County Preliminary Plat for Deerhaven Subdivision, a replat of Tract 6 and a portion of Tract 7, Allison Tracts; Tract 2, Hermann Meadows Subdivision; Lot 2 and a portion of Lot 1, Block 1,

Ley Subdivision, Laramie County, Wyoming (located between E. Fox Farm and E. Jefferson Roads, east of S. Greeley Highway. Mr. Spiker declared a conflict of interest and vacated Council Chambers. Dr. Rinne moved to acknowledge receipt with staff recommendations #1 through 8, and #11, 12, 15, 16 and 17, seconded by Mr. Valdez. Motion carried. Voting “yes” – all members of the governing body present in Council Chambers. Following announcement of the vote, Mr. Spiker returned to Council Chambers.

[CA] Juvenile Accountability Block Grant Contract between the State of Wyoming, Department of Family Services, Division of Juvenile Services and the City of Cheyenne. Motion (per Consent Agenda) carried. (# 5573)

[CA] Extension of Contract #5400 between the City of Cheyenne, Transit Division, and NextMedia Outdoor, Inc. for the purchase of advertising space on Cheyenne Transit. Motion (per Consent Agenda) carried. (#5400)

[CA] Diversion and Transitional Services contract between State of Wyoming, Department of Family Services, Division of Juvenile Services and the City of Cheyenne, Youth Alternatives. Motion (per Consent Agenda) carried. (#5574)

[CA] Consideration of FAA Grant #3-56-0005-47 between the City of Cheyenne, the County of Laramie, and the Cheyenne Regional Airport Board for the implementation of a Safety Management System Program (Phase II) and for airport operations -- referred to Finance Committee.

[CA] Contract Modification #1 to Contract #5563 between the City of Cheyenne and JTL Group, Inc. dba Knife River for the construction of the 2009 Cheyenne Transit Program Bus Stop Upgrades Project (Federal Transportation Administration/American Recovery and Reinvestment Act funds) -- referred to Finance Committee.

[CA] Change Order #1 to accepted Bid #R-7-10 between the City of Cheyenne and JDM Equipment, LLC, for an upper hopper extension to the baler conveyor located at the Transfer Station (State Land and Investment Board funds) -- referred to Finance Committee.

Consideration of Bid #R-14-10 for furnishing one new Wheel Excavator for the City of Cheyenne Sanitation/Landfill Department (Solid Waste Management Fund). Mr. Brown moved to accept the bid of Wyoming Machinery Co., Cheyenne, in an amount not to exceed \$330,011.00, seconded by Mr. Valdez. Discussion followed regarding bids received and staff recommendation to not accept the lowest bid; bid equipment specifications; difference in bid amounts, and equipment capability needs. Upon inquiry, Dennis Pino, Solid Waste Director, provided information concerning equipment specifications and necessary equipment functions needed relative to the intended use of the equipment; fleet maintenance's staff recommendation, and reason for the length/reach of the boom and horsepower capability to safely move heavy materials, and reviewed areas that were not met by the lowest bidder. Upon inquiry, Jim Elias, Public Works Director, advised dealers having other equipment brands did not submit bids, and explained there may be some remediation work that will have to be done at the landfill and the specifications regarding the boom reach, lifting capacity and horsepower of the equipment were important areas. Comments followed on possible re-bidding for the equipment. Upon inquiry, Mr. Pino provided additional information on items that did not meet specifications by the low bidder; reviewed how staff, including Fleet Maintenance, compiled equipment bid specifications, and advised if the equipment

was to be re-bid, it would put the project behind but would not affect compliance issues. Following further comments, motion carried. Voting “yes” – all members of the governing body present with the exception of Mr. Brown, Dr. Rinne and Mr. Spiker voting “no”.

Consideration of Bid #R-15-10 for furnishing one new Rubber Tire Tool Carrier Loader for the City of Cheyenne Sanitation/Landfill Department. Mr. Brown moved to accept the bid from Wyoming Machinery Co., Cheyenne, in an amount not to exceed \$220,598.00, seconded by Mr. Valdez. Mr. Brown moved to call for the question. Brief review of parliamentary procedure regarding the motion followed. Motion died due to lack of a second. Upon inquiry, Dennis Pino, Solid Waste Director, explained the intended use for the loader, which includes removal of materials from an older area of the landfill requiring a “break-out force” capability of several thousand pounds. Motion carried. Voting “yes” – all members of the governing body present with the exception of Mr. Brown, Dr. Rinne and Mr. Spiker voting “no”.

[CA] Consideration of Bid #R-17-10 for furnishing & installing police car equipment in 6 new police cars from Wireless Advanced of Evans, CO for the City Police Department (2007-2010 1% Sales and Use Tax). Motion (per Consent Agenda) carried (amount not to exceed \$45,729.00).

[CA] Consideration of Bid #M-23-10 for a contract between the City of Cheyenne and JTL Group Inc. d/b/a Knife River of Cheyenne, WY, for the Dell Range resurfacing project. Motion (per Consent Agenda) carried (amount not to exceed \$1,499,843.60). (#5575)

[CA] Consideration of Bid #M-24-10 for a contract between the City of Cheyenne and Colorado Lining International of Parker, CO for the Third Evaporation Pond project at the landfill -- referred to Finance Committee.

[CA] Consideration of Bid #R-1-11 for furnishing 4 new Medium/Heavy Duty, Body on Chassis Transit Buses for the City of Cheyenne Transit Department, from Intermountain Coach Leasing, Inc., Colorado Springs, CO -- referred to Finance Committee.

[CA] Annual Report to the City of Cheyenne regarding capital improvements made at the Airport Golf Course as required by Lease Agreement. Motion (per Consent Agenda) to acknowledge receipt of the report carried.

Announcement was made of a Public Hearing to be held Monday, July 26, 2010 at 6:00 p.m. in City Council Chambers, 2101 O’Neil Avenue, Cheyenne, WY to receive public comments on the proposed trade of real properties owned by the City of Cheyenne, being two parcels of land which comprised the former Civitan Park, the north half of the right-of-way for Civitan Place, a platted but unbuilt street, and the right-of-way for a platted, but unbuilt, alley, all of which are located in Arp Addition, 5th Filing, generally located south of West Leisher Road between Cribbon Avenue and Dey Avenue, and all of which were vacated by the Governing Body of the City of Cheyenne pursuant to Ordinance No. 3900, approved June 28, 2010, and together consisting of approximately 45,519 square feet +/- (estimated value of \$80,000.00), to Laramie County School District No. 1 for real property owned by Laramie County School District No. 1 described as a strip of land approximately 126 ft. wide from east to west and approximately 398 ft. long from north to south, consisting of approximately 50,148 square feet +/- (estimated value of \$80,000.00), situated in the eastern part of Sunrise Elementary School site within Lot 1, Block 1, Sun Valley School Addition, Cheyenne, WY generally located on the north side of East 12th St, adjacent to Sun Valley Park.

Under other business:

Bryan Grzegorzcyk, President, Laramie County Liquor Association, provided information on a taxi ride program that will be implemented during this year's Cheyenne Frontier Days, stating a liquor representative is purchasing 1,000 free taxi rides to assist people in being transported safely to/from liquor establishments. He advised advertising of the program will be conducted. Mayor Kaysen expressed appreciation to the Association for program efforts involving residents' safety.

Mayor Kaysen reminded the public the first Cheyenne Neighborhood Night Out event will be Tuesday evening, July 13, 2010 at different locations throughout the community, and also advised a public forum would be held Wednesday, July 14, 2010 beginning at 6:00 p.m., Council Chambers, regarding the issue of trees in Lions Park and air traffic involving Cheyenne Regional Airport.

There being no further business to come before the governing body, Mayor Kaysen adjourned the meeting at 8:48 p.m.

Submitted by,

Carol Intlekofer, MMC
City Clerk
