

RECORD OF PROCEEDINGS FOR THE GOVERNING BODY
OF THE CITY OF CHEYENNE
Office of City Clerk

March 28, 2011

The Governing Body of the City of Cheyenne met in regular session on this date beginning at 6:00 p.m. in Council Chambers. Present were: MAYOR - Richard L. Kaysen; COUNCIL MEMBERS - Mr. Allen, Ms. Ash, Mr. Brown, Ms. Broyles, Mr. Collins, Dr. Rinne, Mr. Spiker and Mr. Valdez. Absent: Mr. Pierson. Also present: Carol Intlekofer, City Clerk; Barb Dorr, City Treasurer, and Dan White, City Attorney. The pledge of allegiance was recited.

Consent Agenda. (All agenda items listed with the designation of [CA] are considered to be routine items by the governing body and will be enacted by one motion. There will be no separate discussion on these items unless a member of the governing body so requests and support by two other members is received. Any item removed from the Consent Agenda will be considered in its normal sequence on the agenda.) Upon request by Ms. Broyles, and pursuant to support received by Mr. Collins and Mr. Allen, agenda items #14 & 15 were removed from the Consent Agenda. Mr. Collins moved to approve remaining Consent Agenda items, seconded by Mr. Brown. Motion carried. Voting "yes" -- all members of the governing body present.

[CA] Minutes from Regular Meeting of the Governing Body on March 14, 2011. Motion (per Consent Agenda) carried.

Mr. Brown and Mr. Collins each declared a conflict of interest (business interest) due to vouchers payable to Ameri-Tech HVAC Services and the Bicycle Station, Inc. respectively, and vacated Council Chambers. Mr. Spiker moved to approve payment of vouchers as presented, seconded by Mr. Valdez. Inquiry was made concerning the following vouchers: Casper Star Tribune (\$89.96), legal notice for Open House Assembly ordinance; Cornerstone Programs Corp. (\$10,000) payment per contract for juvenile detention services for Feb. 2011; Division of Victim Services (\$1,163.46), return unused federal grant funds due to resignation of victim services coordinator; La Familia (\$750.00), advertising and live broadcasting for annual Super Day event; Labor Ready (\$2,131.92), temporary labor staffing (Transfer Station). Providing information on the aforementioned vouchers were: City Treasurer Barb Dorr, Mayor Kaysen, Police Lt. Mark Munari, Parks and Recreation Director Rick Parish and Assistant Director Todd Feezer, Public Works Director Jim Elias, and Solid Waste Manager Dennis Pino. Mr. Spiker moved to amend by removing the voucher payable to La Familia in the amount of \$750.00 from the payables listing to allow for payment after services are rendered, seconded by Mr. Valdez. Upon inquiry, Mr. Feezer stated he did not believe contract provisions ask for payment in advance. Motion carried. Voting "yes" -- all members of the governing body present in Council Chambers. Main motion as amended carried. Voting "yes" -- all members of the governing body present in Council Chambers. Following announcement of the vote, Mr. Brown and Mr. Collins returned to Council Chambers.

"An Ordinance amending Section 5.12.060, Sales and Consumption--Restrictions, of Chapter 5.12, Alcoholic Beverages, of Title 5, Business Licenses and Regulations, of the Code of the City

of Cheyenne, Wyoming, to authorize the issuance of a Malt Beverage Permit or Catering Permit limited to malt beverages, with open container waiver, in conjunction with adult softball/baseball games and tournaments at the Pioneer Park Baseball Complex.” Ron Kailey, Cheyenne Grizzlies owner, confirmed that Cheyenne Grizzlies is a community business and explained the group provides clinics for youth and fund raisers for non-profit organizations. Reporting for Finance Committee, Mr. Valdez moved to approve on third and final reading, seconded by Ms. Ash. Mr. Valdez moved to postpone for 2 weeks (to April 11, 2011), seconded by Mr. Brown. Upon request, Mr. Valdez withdrew the motion to postpone, with concurrence by Mr. Brown as second to the motion, in order to allow discussion on the main motion. Comments were made regarding activities held in City parks that include alcohol consumption through issuance of permits, including particular reference to an upcoming activity in Lions Park, and regulation of distribution and consumption of beer at Grizzlies games at Pioneer Park through permitting and regulatory measures that Mr. Kailey has indicated he will provide. Upon inquiry, Rick Parish, Parks and Recreation Director, explained many different events go through their office for permitting and diagrams outlining dispensing and consumption areas are reviewed closely by staff prior to signing off. He noted he did not recall the aforementioned activity scheduled for Lions Park, and Carol Intlekofer, City Clerk, advised the activity involving a consumption permit was brought to her attention shortly before the current meeting, advising that a consumption permit had been issued for the event, which was listed on the application form as a run and barbeque. Discussion included the following topics: Ordinance intent; permit application staff review and approval process; various venues and retail marketing/products that expose youth to alcohol; fairness and equality issues; limitation on the number of malt beverage permits that can be issued at the same location, as outlined in State Statute, and individual application/approval process for each requested date by the Grizzlies to serve malt beverages at baseball games. Upon inquiry, Ms. Intlekofer clarified that a separate permit application would be required for each date requested to sell malt beverages with separate review of each application for approval, and Police Lt. Mark Munari advised off-duty police officers can be hired to provide security in conjunction with a permit to sell malt beverages at the games. Mr. Kailey acknowledged that he understood approval of a permit would be on a game-to-game basis; commented they will provide extra security with off-duty police officers and that he was aware there would be an affiliated cost, and stated if problems arose or sales were not financially favorably, he could decide not to apply for permits. He further commented that approval of the ordinance would provide the opportunity to provide malt beverage sales, similar to other leagues in the state. Mr. Valdez moved to postpone for 2 weeks. Motion died due to the lack of a second. Comment followed regarding the number of affirmative votes required (6) for an ordinance to pass on final reading, and the possibility of a future ordinance being drafted to address concerns and issues that had been raised during discussion on the proposed ordinance. Main motion carried. Voting “yes” -- Mr. Allen, Ms. Ash, Mr. Brown, Mr. Collins, Dr. Rinne and Mayor Kaysen. Voting “no” -- Ms. Broyles, Mr. Spiker and Mr. Valdez. (#3915)

“An Ordinance repealing in its entirety, Chapter 8.44, Solid Waste, and creating a new Chapter 8.44, Solid Waste, of Title 8, Health and Safety, of the Code of the City of Cheyenne, Wyoming.” Mark Shubert spoke in opposition to the ordinance, citing concerns with private enterprise competition intrusion by government, and spoke in favor of preserving free enterprise and allowing private companies to provide roll-off container services within the City. Mr. Valdez moved to approve on third and final reading, seconded by Mr. Brown. Mr. Valdez moved to amend by

substitute, seconded by Mr. Brown. Upon inquiry, Jim Elias, Public Works Director, advised the substitute provides for language clarification of waste collection regarding roll-off containers within City limits by private providers. He explained it is not the City's intent to affect private haulers from providing roll-off containers, and provided information concerning a meeting that had been held with the private haulers to discuss the issue. He reviewed proposed new wording for Section 8.44.030 E.6. as follows: "Prior to placement of waste collection roll-off containers within the City limits, a commercial (private) hauler must provide to the City Public Works Director, or designee, a written report containing the following: name of company, address of company, primary contact name, contact information (during and after business hours), and a description of roll-off containers including color scheme, number and size. Each container shall be clearly marked with the company's name and business phone prior to placement. Commercial (private) haulers shall provide the written report upon business startup and annually thereafter not later than January 31st of each year. Failure to provide this report could result in a suspension of roll-off container privileges for a period of up to one year. Failure to comply with container marking requirements of this paragraph could result in removal and disposal of unmarked/unreported containers." Brian Clark, Countryside Disposal, suggested the City put a tonnage requirement on their containers to make it a fair playing field. Concerns were raised regarding current ordinance language (also included in proposed ordinance) referencing that all solid waste accumulated in the City must be collected, conveyed and disposed of by the City under the supervision of the Public Works Director, or designated representative (Section 8.44.010 C.) and possible future interpretation, and providing future protection to private haulers with regard to revised wording in Section 8.44.030 E. 6. Mr. Elias provided information on the City's control of the waste stream as a means to provide services and secure future financing for solid waste programs, noting the revised wording in Section 8.44.030 E. 6. will not eliminate roll-off container services by private haulers, but is a mechanism for tracking. Upon inquiry, Carol Intlekofer, City Clerk, confirmed that private haulers are not required to obtain a City business license to provide roll-off container services. Upon inquiry, City Attorney Dan White advised he views Sections 8.44.010 C., C.1. and C.2. to specifically preserve universal authority by the City over disposal of solid waste with the limited exception, under the direction of the public works director, of Section 8.44.030 E. 6. He noted the public works director could suspend the privileges of private haulers if they are not following requirements, otherwise, if a hauler is complying with conditions, they will be allowed to do business. Pursuant to suggested wording offered by Mr. White in response to the comments of concern, Mr. Collins moved to amend Section 8.44.010 C.2. to include the following language at the beginning of the paragraph: "Except as provided in Section 8.44.030 E.6., ...", seconded by Mr. Brown. Mr. White clarified the amendment wording would be inserted as an introductory clause to the first sentence in Section 8.44.010 C.2. to read: "Except as provided in Section 8.44.030 E.6., all solid waste accumulated in the City shall be collected, conveyed, and disposed of by the City." Matthew Bowen spoke in support of the amendment. Motion to amend carried. Voting "yes" -- all members of the governing body present. Motion to amend by substitute, as amended, carried. Voting "yes" -- all members of the governing body present. Dr. Rinne moved to amend Section 8.44.050 B.1. by removing the 2nd sentence (i.e.: The city reserves the right to suspend residential collection during weeks that begin with a Monday which is the fifth Monday of the month in order to maintain equipment and train personnel); the 3rd sentence (i.e.: Notification of suspension of residential collection will be provided via a media release at least two weeks prior to any suspension of service), and the word "also" contained in the 4th sentence, seconded by Mr. Collins. Mr. Allen suggested a friendly amendment to the motion to

delete the words “A fifth week” in the last sentence of the section so the sentence would begin with “A suspension or change in service...” with Dr. Rinne and Mr. Collins concurring as maker and second to the motion. Discussion followed on maintaining consistent services as is currently provided; initial section wording providing for flexibility regarding maintaining equipment and staff training, and concerns with the proposed amendment in relationship to fees. Motion to amend, including the friendly amendment, failed. Voting “yes” -- Mr. Allen, Mr. Collins, Dr. Rinne and Mr. Spiker. Voting “no” -- Ms. Ash, Mr. Brown, Ms. Broyles, Mr. Valdez and Mayor Kaysen. Upon inquiry, Mr. Elias advised a copy of the proposed substitute had been provided to private haulers of roll-off containers and that staff has not heard any opposition from the private haulers regarding wording in the substitute (Section 8.44.030 E. 6.). Main motion, as amended, carried. Voting “yes” -- all members of the governing body present. (#3916)

“An Ordinance amending various sections of Chapter 5.36, Circuses, Carnivals, Exhibitions, and Amusement Rides, within Title 5, Business Licenses and Regulations, of the Cheyenne City Code.” Mr. Valdez moved to approve on third and final reading, seconded by Mr. Brown. Mr. Valdez moved to amend by substitute, seconded by Mr. Brown. Upon inquiry, Bruce Wilson, Chief Building Official, reviewed changes contained in the substitute ordinance pursuant to discussion at the last City Council meeting. Motion to amend carried. Voting “yes” -- all members of the governing body present. Discussion followed on public safety, certified NAARSO (National Association of Amusement Ride Safety Officials) inspector providing amusement ride inspections (reference to Cheyenne Frontier Days event was noted), and reducing the City’s liability exposure. Concern was expressed with Frontier Days amusement ride equipment operators consuming alcohol on their breaks then returning to operate equipment and whether language should be inserted into the ordinance to prohibit this conduct. Matt Jones, Cheyenne Frontier Days Concession Committee Chairman, stated the current carnival ride provider for Frontier Days has strict rules on alcohol consumption by ride operators, as well as other rules, and that drinking by operators is absolutely not allowed. He explained that spot checks and patrolling of the premises has been conducted for several years, and that drinking activity by ride operators has never been observed; the issue would be addressed if discovered. Main motion as amended carried. Voting “yes” -- all members of the governing body present. (#3917)

“An Ordinance submitting to the qualified property owners of real property within the boundaries of the Cheyenne Downtown Development Authority District of Cheyenne, Wyoming, excluding real property used exclusively for residential purposes, at a Special Election on Tuesday, May 10, 2011, the following question: ‘Shall a special assessment of ten (10) mills be levied upon the assessed value of real property within the boundaries of the Cheyenne Downtown Development Authority District, excluding real property used exclusively for residential purposes, for a period of four (4) years pursuant to the provisions of Wyo. Stat. §15-9-217 (b) and (c) for the purposes of (1) administrative costs; (2) landscaping or maintenance of public areas; (3) planning or management of development or improvement activities; (4) promotion of public events; and (5) activities in support of business recruitment and development?’.” Mr. Valdez moved to approve on third and final reading, seconded by Dr. Rinne. Ms. Ash advised she has met with the DDA and concerns she had previously expressed are being addressed. Motion carried. Voting “yes” -- all members of the governing body present. (#3918)

“An Ordinance De-Annexing from the City of Cheyenne, a parcel of land situate in a portion of the south half of Section 29, T.14 North, R. 65 West, 6th P.M., City of Cheyenne, Laramie County, Wyoming, containing 37.0 acres, more or less (located in the vicinity North of Interstate 80, East of East Pershing Boulevard, and East of the KOA Campground area).” Mayor Kaysen advised the petitioner has requested the item be withdrawn and, following inquiry with no objection raised by members of City Council, announced the item was being withdrawn from the agenda.

“An Ordinance amending a portion of Ordinance No. 3891 by modifying the conditions within the zoning classification of MUB Conditional Mixed Use with Business Emphasis District for Lots 1 and 2; and the north 66-feet of Lots 3 and 4, Block 195, Original City, Cheyenne, Wyoming (located at the southwest corner of the intersection of E. 23rd Street and Russell Avenue).” Mr. Collins moved to approve on second reading, seconded by Ms. Ash. It was clarified the original ordinance provided for an exception to build a small garage for funeral home (vehicle) use at the location, however, the size of the garage is too small for business purposes. The proposed ordinance increases the size of the garage area. Motion carried. Voting “yes” -- all members of the governing body present.

“An Ordinance amending Section 5.12.040, Issuance-Term of Licenses and Permits–Renewal of Annual Licenses, of Chapter 5.12, Alcoholic Beverages, of Title 5, Business Licenses and Regulations, of the Code of the City of Cheyenne, Wyoming, to impose certain additional restrictions on the sale of alcoholic beverages pursuant to temporary malt beverage permits and catering permits on City-Owned and City-Managed property.” Mr. Valdez reported there was no recommendation on the item from Finance Committee. Mr. Allen moved to approve on second reading, seconded by Mr. Collins. It was advised the ordinance was brought forward pursuant to discussion concerning sales of alcohol at Cheyenne Grizzlies games at Pioneer Park (re: ordinance acted upon earlier in the meeting), and that the intent of the ordinance is to provide for consistent practices involving alcohol sales and consumption on City owned and managed properties pursuant to temporary malt beverage and catering permits. Dr. Rinne moved to amend Section 5.12.040 B. 2. A. by changing the size of alcohol servings (containers) from 12 fluid oz. to 16 fluid oz. Motion died due to the lack of a second. Discussion included: Concern with ordinance effect on private and small family events relative to posting of signage and other requirements; size of alcohol servings, and whether an amendment to the current city code is needed. Main motion failed. Voting “yes” -- Mr. Allen, Ms. Broyles and Mr. Spiker. Voting “no” -- Ms. Ash, Mr. Brown, Mr. Collins, Dr. Rinne, Mr. Valdez, and Mayor Kaysen.

“A Resolution authorizing the City Treasurer to discharge uncollectible debts in the amount of \$94,648.02, pursuant to Wyo. Stat. §16-4-502.” Mr. Valdez moved to adopt, seconded by Ms. Ash. Discussion followed on collection efforts, debts owed by businesses still in operation, and insufficient funds checks and acceptance of future checks from those who have issued uncollectible checks in the past. City Treasurer Barb Dorr explained past and current collection procedures and efforts; reviewed measures her office is taking in an attempt to collect debts prior to submitting them to the collection agency, and provided information generally on the age of the debts presented for discharge, which may involve billing or receivables errors. Mayor Kaysen clarified that even though the debts would be written-off, the City can still pursue collection for payment. Motion carried.

Voting “yes” -- all members of the governing body present with the exception of Ms. Broyles voting “no”. (#5267)

“A Resolution directing the City Clerk to defer acceptance of applications for one (1) Retail and one (1) Bar and Grill liquor license, which licenses will revert to the City of Cheyenne on March 31, 2011, and one (1) additional Retail liquor license, which may be authorized to the City pursuant to provisions of Wyo. Stat. § 12-4-101, and establishing guidelines to be used by the Governing Body of the City of Cheyenne to review applications for said licenses.” Mr. Valdez moved to adopt, seconded by Dr. Rinne. Upon inquiry, Carol Intlekofer, City Clerk, stated the Hitching Post Inn retail license and the On the Border bar and grill license are the licenses that will revert to the City. She also advised, pursuant to notification that had been received from the Wyoming Liquor Division, the City has received one additional retail liquor license based upon the 2010 census (population). Motion carried. Voting “yes” -- all members of the governing body present. (#5268)

Following a 10 minute recess, Mayor Kaysen reconvened the meeting at 8:10 p.m.

[CA] “A Resolution adopting revised liquor license general guidelines for the review of applications for Retail and Bar and Grill liquor licenses available through the City of Cheyenne and authorizing a time frame to receive applications – referred to Finance Committee (sponsors – Dr. Rinne and Mayor Kaysen.)

[CA] “A Resolution authorizing the Mayor to terminate Lease Agreement No. 4745 entered into by the City of Cheyenne and Cheyenne American Legion Post 6 Baseball Club, Inc., dated March 28, 2005” – referred to Finance Committee (sponsor – Mr. Brown.)

County Preliminary Plat for Overland Trails Business Park for a portion of the E½ of Section 14 and a portion of the NE¼ of Section 23, T.13N., R.67W., 6th P.M., Laramie County, Wyoming (located west of and adjacent to I-25, south of W. College Drive). Mr. Collins moved to acknowledge receipt with staff recommendations #1 through 7 and #9 through 13, seconded by Ms. Ash. Motion carried. Voting “yes” -- all members of the governing body present.

County Preliminary Plat for Niobrara Energy Park for a parcel of land situated in a portion of the N½ of Section 9, T.13N., R.66W., 6th P.M., Laramie County, Wyoming (located west of S. College Drive (behind Lighthouse Baptist Church) and north of Laramie County Community College). Mr. Collins moved to acknowledge receipt with staff recommendations #1 through 4 and #6 through 12, and Planning Commission condition #13, seconded by Ms. Ash. Upon inquiry, Brad Emmons, AVI Engineering, agent for the applicant, and Lisa Pafford, Assistant Development Director, provided information available relative to County approval of County plats or variances. Ms. Pafford stated inquiry has been made to the County with regard to the County’s new subdivision regulations and clarification of what items will be reviewed and/or acted upon by the County Planning Commission, Board of Adjustment or County Commissioners, and that a response has not yet been received. Pursuant to inquiry concerning possible placement of a condition on the final plat at a later date, John Knepper, Assistant City Attorney, expressed that placing a condition on a plat is probably not an on-going land use restriction, and that, pursuant to state legislative provisions, further research

would need to be conducted with regard to the City exercising extra-territorial authority. Motion carried. Voting “yes” -- all members of the governing body present.
