

RECORD OF PROCEEDINGS FOR THE GOVERNING BODY
OF THE CITY OF CHEYENNE
Office of City Clerk

May 23, 2011

The Governing Body of the City of Cheyenne met in regular session on this date beginning at 6:00 p.m. in Council Chambers. Present were: MAYOR - Richard L. Kaysen; COUNCIL MEMBERS - Mr. Allen, Mr. Brown, Ms. Broyles, Mr. Collins, Mr. Pierson, Dr. Rinne, Mr. Spiker and Mr. Valdez. Absent: Ms. Ash. Also present: Carol Intlekofer, City Clerk; Lois Huff, Deputy City Treasurer, and Dan White, City Attorney. The pledge of allegiance was recited, led by members of the Mayor's Youth Council.

EXPRESSION OF APPRECIATION TO MAYOR'S YOUTH COUNCIL AND STATE OF THE YOUTH REPORT. Mayor Kaysen and Jan Spires, Mayor's Youth Council coordinator, commended members of the 2010-2011 Mayor's Youth Council and presented members present with a certificate and gift of appreciation. Those recognized were: Karolyn Hopfensperger, Dean Jackson, Ian Dome, John Matsen, Bobby McGarry, McKinzea Olsen, Jacob Peterson, Gary Sayler, Isaiah Sims, and Sabrina Westover. Members not in attendance also recognized were: Kadi Davis, Monica Mencer and Josh Walker. Ms. Hopfensperger, Chair of the Youth Council, provided a State of the Youth report and described various accomplishments and issues the group supported and learned about during the past school year, and commented on members' positive interactions and learning experiences through involvement with local government staff and community organizations. Mayor Kaysen expressed appreciation to the members for their time, commitment and dedication as Youth Council members, and also to members' families for their support.

Consent Agenda. (All agenda items listed with the designation of [CA] are considered to be routine items by the governing body and will be enacted by one motion. There will be no separate discussion on these items unless a member of the governing body so requests and support by two other members is received. Any item removed from the Consent Agenda will be considered in its normal sequence on the agenda.) Mr. Collins moved to approve Consent Agenda items, seconded by Mr. Allen. Motion carried. Voting "yes" -- all members of the governing body present.

[CA] Minutes from Regular Meeting of the Governing Body on May 9, 2011. Motion (per Consent Agenda) carried.

Mr. Valdez moved to approve payment of vouchers as presented, seconded by Mr. Brown. Mr. Brown moved to divide the question to allow for separate action on a voucher payable to the Downtown Development Authority (DDA) in the amount of \$580,126.27 for a TIF (Tax Increment Financing) invoice for Fiscal Year 2010, seconded by Mr. Allen. Motion to divide the question carried. Voting "yes" -- all members of the governing body present. It was advised the City Treasurer was reconciling information that had been submitted involving the DDA payment amount, and that a postponement of action on the voucher was requested to complete the research. Upon inquiry, Lois Huff, Deputy City Treasurer, reviewed the two most recent TIF payments, which were in lower amounts. Mr. Pierson moved to postpone payment of the voucher to the DDA until the next

regularly scheduled City Council meeting on June 13, 2011, seconded by Mr. Collins. Mr. Spiker raised a procedural point of clarification with Mayor Kaysen advising a main motion should be introduced prior to a motion to postpone. Mr. Collins moved to approve the payment to DDA in the amount of \$580,126.27, seconded by Mr. Spiker. Mr. Spiker moved to postpone action on the voucher to June 13, 2011, seconded by Mr. Collins. Motion to postpone carried. Voting “yes” -- all members of the governing body present with the exception of Dr. Rinne voting “no”. Upon inquiry regarding a voucher for costs of staff attendance at a New World conference in San Antonio, Texas, Police Chief Brian Kozak explained attendance at the conference was to receive training on the department’s records management software system due to the recent retirement of the system coordinator. Upon further inquiry, Chief Kozak reported police service dogs that recently received veterinarian care were doing fine. Upon inquiry, Ms. Huff clarified a voucher payable to the Brown Palace Hotel, Denver, CO, was in conjunction with a workshop on CDBG (Community Development Block Grant) funding. Main motion, excluding the postponed voucher payable to the DDA, carried. Voting “yes” -- all members of the governing body present.

“Ordinance annexing to the City of Cheyenne, Wyoming, a parcel(s) of land being situated in the SE1/4 of Section 11, and in the NE1/4 of Section 14, T. 13N., R.67W., 6th P.M., Laramie County, Wyoming (generally located at Interstate 25 and West College Drive).” Reporting for Public Services Committee, Mr. Collins moved to approve on second reading, seconded by Ms. Broyles. Motion carried. Voting “yes” -- all members of the governing body present.

“Ordinance amending the Major Street Plan Official Map 2003, by up-dating the entire Major Street Plan Official Map with newly platted and built roads, and by adding the U.S. Highway 30 and Dell Range Boulevard intersection, East Pershing Boulevard and Christensen Road intersection, and U.S. Highway 30 and Christensen Road intersection details.” Mr. Collins moved to approve on second reading, seconded by Mr. Allen. Motion carried. Voting “yes” -- all members of the governing body present.

“Ordinance amending the City of Cheyenne’s Sanitation Fee Schedule” – referred to Finance Committee (sponsor - Mr. Brown).

“Ordinance approving and establishing revised water rates, sewer rates, tap fees, system development fees, administrative fees, service charges and penalties and septic and commercial dump rates, as recommended by the Board of Public Utilities” – referred to Finance Committee (sponsor - Mr. Pierson).

“Ordinance appropriating moneys for the City of Cheyenne, Wyoming, for the various purposes in conducting the municipal government of said City and fixing the amount of general and special taxes as part of the revenue required to meet the said appropriation, all for the Fiscal Year beginning July 1, 2011, and ending June 30, 2012” – referred to Finance Committee (sponsor - Dr. Rinne).

“Ordinance amending Ordinance No. 3897 defining the terms and conditions of employment for non-uniformed employees of the City of Cheyenne” – referred to Finance Committee (sponsor - Mr. Valdez).

“Ordinance mending Ordinance No. 3898 defining the terms and conditions of employment for sworn officers of the Cheyenne Police Department” – referred to Finance Committee (sponsor - Mr. Valdez).

“Resolution authorizing the Mayor to terminate Lease Agreement No. 4745 entered into by the City of Cheyenne and Cheyenne American Legion Post 6 Baseball Club, Inc., dated March 28, 2005.” Tagg Lain, Post 6 Legion baseball coach, reviewed the club’s baseball program generally; its mission to develop and build a high level baseball program, and the club’s financial investment in the Powers Field facility. He commented on past and recent meetings that had been held with the City as well as other baseball and girls’ softball groups, and State representatives involving past Federal grant (Land and Water Conservation) funding received by the City to assist with building Powers Field; discussed information on projected costs to build a new, unlighted second baseball field at the facility and previous site design and earthwork that had been completed, and reviewed components of the recent proposal from Post 6 to the City, during negotiation discussions pursuant to the agenda item, involving completion of a second ballfield (i.e. varsity high school field) at the facility in conjunction with the long range plan that was envisioned when the facility was built. He stated his belief that during negotiation discussions information had been learned that had not previously been shared, causing a lack of an open and honest dialogue; that the potential termination of the lease agreement and community publicity involved has affected the morale of team players, and that the current lease agreement is valid and Post 6 has complied with provisions of the agreement. Mr. Lain noted his hopefulness that a solution between the parties could be reached. Ed Melko stated that although he agreed another field is needed, Post 6’s suggestion to complete a second field was not a solution. His comments included Federal grant requirements related to use by others of locker rooms, and outfield signage (advertising by Post 6 sponsors); contract wording that indicates the Legion must comply with all Federal and state requirements, and problems with initial drafting of the agreement. He suggested the City build a facility for equipment storage for all users, that the outfield fence height be raised to allow for sponsor signage for Post 6 as well as for sponsors of other teams, and that the proposal for a second field be placed on the next 1% 6th penny ballot. Reporting for Finance Committee, Mr. Valdez stated there was no recommendation on the item from the Committee. Mr. Collins moved to adopt, seconded by Mr. Brown. Discussion included the following topics: Status of negotiations between the parties in reaching an agreement regarding signage and use of locker rooms; potential jeopardy to the City of receiving future grant funding if provisions involving Federal Land and Water Conservation grant requirements are not met; quality field maintenance; progress of efforts toward amending or modifying the current lease agreement; support for Post 6 baseball program, and concern with a financial commitment by the City involving construction of a second field. Upon inquiry, Dan White, City Attorney, provided information on negotiation discussions and proposals, advising a City resolution had been drafted outlining that the City would install sidewalks to the 1st and 3rd base dugouts and build a secure storage facility. He explained reasons why the proposed resolution should not be “married to the agreement” as the proposed improvements at Powers Field and compliance with Federal law (grant requirements) are two separate issues; discretionary authority of the mayor to issue a termination notice if the resolution is adopted and effectiveness of termination (60 days after receipt); that continuing discussions can still be held, and elements of a formal mediation process. He stated the issue is that the current lease is not in compliance with Federal law. Pursuant to request by

Councilman Pierson to Mayor Kaysen, as chair, Mayor Kaysen advised the public participation process involving the agenda item would be flexible during discussion. Upon inquiry, Mr. White reviewed communications with Post 6 legal representatives involving a draft of a revised lease agreement he had sent them on Dec. 16, 2010 which would have resolved the locker rooms and signage issues, noting he was advised that Post 6 would not sign the proposed revised agreement. Jack Speight, attorney, noted he and Hank Bailey, attorney, were present at the meeting to assist Post 6. He stated Post 6 would be delighted to settle the issues surrounding the lease agreement; discussed Post 6's response by attorney Dallas Lain to City Attorney White regarding the proposed resolution involving installation of sidewalks and building of a storage facility by the City, and explained that the Board would want the resolution tied to a lease agreement. Mr. Speight discussed trust factors between the parties; willingness to negotiate, and a formal mediation process involving an outside mediator. Mr. Melko commented in opposition to Post 6's stance regarding consideration of a revised lease, and repercussion to the City relative to availability of future Federal grant funding for many City projects, not just Parks and Recreation areas, if the current lease is not terminated. In response to inquiry, Mr. Speight noted issues of concern are more than just locker rooms and signage, but involve terminating a valid lease and furthering youth baseball in the community, and commented on extending the current lease agreement term by an additional 5 years in any revised lease as "quid pro quo" with the City. Additional response included comments by Mr. Lain on trust issues, importance of a commitment for a second field, scheduling and use of Powers Field by other teams, and proposed fund-raising efforts by Post 6 toward a high school varsity baseball field. Discussion continued and, upon query, included confirmation by Mr. White that the resolution on the agenda relates to the lease agreement dated March 28, 2005 and non-compliance of lease provisions with Federal Land and Water Conservation grant requirements as communicated by a Federal grant representative. Rick Parish, Director of Parks and Recreation, provided information on Powers Field (baseball field and facility) shared maintenance duties between the City, Post 6, and other users, and City maintenance responsibilities if the lease agreement were terminated. Upon further inquiry, Mr. Parish stated his understanding that if the lease is terminated, Post 6 would pay for use of the field in accordance with other user groups. Further discussion included: Issues surrounding Federal Land and Water Conservation grant requirements; Post 6 program success; building of Powers Field with public dollars and Post 6 fund-raising efforts; proposed draft of new resolution involving the City's commitment to install sidewalks and a storage facility; draft revised lease agreement and proposed 5 year additional term extension; building/maintaining a blue ribbon baseball field; use of field by Post 6; lack of playing facilities for girls' softball teams; negotiations and communications pertaining to a proposed revised lease agreement and new resolution; numerous Federal grants awarded to the City for many community projects and jeopardy of future disbarment from receiving grant funding; sections of current lease agreement involving responsibility for compliance with laws and regulations, and termination; change in use of field scheduling effected last year, and possible agenda scheduling of the new resolution draft and a revised lease agreement to coordinate with action on the current agenda item. Mayor Kaysen relinquished duties of the Chair to Council President Rinne to enable him to participate in discussion on the motion on the floor. Upon inquiry, Mr. White reviewed his recollection of communications with Ms. Lain and the sequence of events involving the new resolution that was drafted proposing the City install certain sidewalks and build a storage facility at Powers Field, which was intended to not be tied to the lease as it was a separate issue from non-compliance with City obligations as a Land and Water Conservation grantee, and clarified if a termination notice was issued the current lease would still

be in effect for 60 days, which would provide the opportunity for further discussion on compliance matters. Mr. Speight spoke in support of resolving issues through further discussions. Mr. Pierson moved to postpone to June 13, 2011, seconded by Mr. Spiker. It was advised the postponement would allow for introduction of the new resolution that had been drafted, under other business later in the meeting, for referral to Finance Committee. Comments followed regarding termination of the lease to send a message of the City's intent to meet Federal grant compliance, information contained in a letter dated April 2, 2010 from a Federal representative for the Land and Water Conservation grant program to the State's grant program representative indicating the current lease agreement was not in compliance, and support for a new resolution and the December 2010 revised agreement draft. Motion to postpone failed. Voting "yes" -- Mr. Pierson, Mr. Spiker and Mr. Valdez. Voting "no" -- Mr. Allen, Mr. Brown, Ms. Broyles, Mr. Collins and Mayor Kaysen. [City Clerk note: Dr. Rinne, presiding as chair, chose not to vote] Main motion to adopt the resolution carried. Voting "yes" -- Mr. Brown, Ms. Broyles, Mr. Collins, Mayor Kaysen and Dr. Rinne, who, as chair, voted to break a tie vote. Voting "no" -- Mr. Allen, Mr. Pierson, Mr. Spiker and Mr. Valdez. (#5275) Following announcement of the vote, President Rinne returned the duties of the chair to Mayor Kaysen. Upon inquiry under other business later in the meeting, Mayor Kaysen clarified the City will continue to try to reach a resolution with Post 6 prior to any final termination date of the current lease agreement.

Following a 10 minute recess, Mayor Kaysen reconvened the meeting at approximately 8:35 p.m.

"Resolution authorizing the Mayor and the City Clerk to sign a final plat for Cheyenne Business Parkway, 6th Filing, a replat of Lots 1 and 2, Block 4, Cheyenne Business Parkway, 4th Filing; Lots 2 and 3, Block 2 and Lots 5 and 6, Block 1, Cheyenne Business Parkway, 3rd Filing, Cheyenne, Wyoming (located west of and adjacent to Christensen Road, between Campstool Road and the UPRR right-of-way)." Mr. Collins moved to adopt with staff recommendations #1 through 9, seconded by Ms. Broyles. Motion carried. Voting "yes" -- all members of the governing body present. (#5276)

[CA] "Resolution authorizing the Mayor and the City Clerk to sign a final plat for Pointe Plaza, 2nd Filing, a replat of Lot 2, Block 5, The Pointe, and a portion of Lots 1 and 2, Block 2, Pointe Plaza, Cheyenne, Wyoming (located northeasterly of Gardenia Drive, between Spirit Lane and Legacy Parkway)." Motion (per Consent Agenda) carried. (#5277)

"Resolution authorizing submission of an application to the Wyoming Business Council, Business Ready Community Grant and Loan Program, for funding through the Business Committed Grant Program to assist in making pedestrian and streetscape improvements to West Lincolnway, West 17th Street, Thomes Avenue and Pioneer Avenue adjacent to Block 392, Original City of Cheyenne, Wyoming." Mr. Valdez moved to adopt, seconded by Mr. Brown. Mr. Valdez moved to amend by substitute, which changes the grant request amount to \$770,625.00, seconded by Mr. Collins. Upon inquiry, Cindy Schneider, Grants Manager, clarified the substitute includes matching land value added into the grant amount. Motion to amend carried. Voting "yes" -- all members of the governing body present. Main motion as amended by substitute carried. Voting "yes" -- all members of the governing body present. (#5278)

“Resolution selecting a preferred proposal and authorizing the Mayor to enter into negotiations for the sale of approximately 28 acres of City-owned land located near the southeast corner of the intersection of Windmill Road and Dell Range Boulevard, Cheyenne, Wyoming.” Scott Nuttelman, Menards representative, spoke in favor of the proposal submitted by Menards to potentially acquire the site. He commented they have met with staff on several occasions to discuss potential sites for the development of a Menards in the community, and advised he views the project as more than just the construction of a Menards store but also for infrastructure improvements, commercial development, building of streets, and as an enhancement to the Greenway and parks space within the vicinity. Upon inquiry, he clarified Menards would use approximately 20 acres of the site and that a few lots along Dell Range Blvd. could be available for further development that would complement the Menards store. He advised the store’s concept plan in size and footprint would be almost identical to the Casper store. Mr. Valdez reported there was no recommendation on the item from Finance Committee. Mr. Brown moved to adopt, seconded by Mr. Collins. Mr. Pierson, seconded by Mr. Collins, moved to amend as follows: Modify the Resolution entitlement by deleting the language “selecting a preferred proposal and”; deleting the 2nd and 5th “Whereas” clauses, and deleting “with _____” contained in the “Now, Therefore, Be It Resolved” clause. Discussion followed on the intent of the amendments, which is to provide authority for the Mayor to negotiate with interested parties; opportunity for discussion with other interested developers; receiving an updated property appraisal, and issuance of a Request for Proposals (RFP), resulting in one proposal being received. During discussion and upon suggestion, Mr. Pierson revised his previous motion to amend to include deletion of the word “preferred” in the 3rd “Whereas” clause with concurrence by Mr. Collins, as second to the motion to amend. Motion to amend, as revised, carried. Voting “yes” -- all members of the governing body present with the exception of Mr. Brown voting “no”. Upon inquiry regarding use of proceeds if the property was sold, Dan White, City Attorney, discussed Parks and Recreation documents affiliated with a past release of a grant boundary designation under Section 6 (f) [Federal Land and Water Conservation Act] provisions, and stated further research is being conducted to ascertain how any potential property sales proceeds may be used. Upon inquiry, Mayor Kaysen clarified the intent of the resolution is to begin negotiation discussions and that no final dollar amount involving a sale has been determined. Continuing discussion included the following topics: Concerns with the City disposing of the property; history of City ownership and allowable property use since acquisition of Section 28; traffic and safety concerns pursuant to commercial development near Dell Range; use of the property by the public since the City acquired ownership; previously approved PlanCheyenne amendment and change in zoning involving the property; current depressed property market value; use of any sales proceeds for Parks and Recreation purposes; past discussions involving potential sale of the property, and commercial development in the area. During discussion, Councilman Allen referenced and reviewed written information he had previously submitted to members of the governing body (on file with office of City Clerk) in opposition to sale of the property, and referred to 3 maps he displayed during his comments. Main motion as amended carried. Voting “yes” -- Mr. Brown, Ms. Broyles, Mr. Collins, Mr. Pierson, Mr. Spiker and Mayor Kaysen. Voting “no” -- Mr. Allen, Dr. Rinne and Mr. Valdez. (#5279)

[CA] “Resolution authorizing submission of an application to the Wyoming Department of Transportation for a Wyoming Rural Public Transportation Program Grant for the purpose of assisting in providing the local match for operating funds for the City of Cheyenne for its Transit

Program, as authorized by 49 U.S.C. § 5311” – referred to Finance Committee (sponsor - Mr. Valdez).
