Project Title: Lakeview Cemetery Historic Holding Vault Restoration

Dear Jim,

Congratulations! At the June 9-10 meeting in Sundance, the Wyoming Cultural Trust Fund (WCTF) Board approved a grant award to your organization in the amount shown above.

Please review your proposed budget to see if you will need to modify the scope of your project or if you will not be able to undertake the project with the amount of funds you have been awarded. If you must make changes in the scope of your project, please notify the WCTF in writing (letter or e-mail) by **July 30, 2011** with your proposed changes and a new budget that supports those changes. (If you cannot undertake the project with a reduced funding amount, please write to the WCTF immediately to decline your award.)

In order to receive WCTF funding, grant recipients must meet all conditions set down in the enclosed **Grant Agreement**. This contract is a binding agreement between your organization and the WCTF. Please read the Grant Agreement before you sign it. **You must have the appropriate person(s) sign as specified on the agreement.** You must return the signed Grant Agreement to the WCTF for the final signature, along with the completed **Quarterly Payment Form**. A copy of the fully signed agreement will be sent back to you for your records.

You or your umbrella organization (if you used one) need to also complete and return the enclosed "Request for Taxpayer Identification Number and Certification" form (**Wolfs 109**) ONLY if you do not currently have this information on file with the State Auditor's Office for the State of Wyoming. This information must be on file before any grant funds can be issued to your organization.

An **Interim & Final Report Form** is included with this letter (and will also be available from the Cultural Trust website pages at <http://wyospcr.state.wy.us/CTF/index.aspx>). You are required to file a Final Report Form with the WCTF within 60 days of completion of your project. If you are required to submit Interim Reports, that schedule is itemized below:

All projects must appropriately credit the Wyoming Cultural Trust Fund in all published material, radio and TV announcements, with the following credit:

“Supported in part by a grant from the Wyoming Cultural Trust Fund, a program of the Department of State Parks and Cultural Resources.”

The Wyoming Cultural Trust Fund is pleased to provide assistance to your organization in supporting Wyoming’s culture and heritage.

Please feel free to contact me if you have any questions or concerns regarding your grant award. Grant review comments will be available after approximately June 24 (after I’ve had a chance to transcribe the meeting notes).
