

**RECORD OF PROCEEDINGS FOR THE GOVERNING BODY
OF THE CITY OF CHEYENNE
Office of City Clerk**

December 12, 2011

The Governing Body of the City of Cheyenne met in regular session on this date beginning at 6:00 p.m. in Council Chambers. Present were: MAYOR - Richard L. Kaysen; COUNCIL MEMBERS - Mr. Allen (arriving at 6:10 p.m.), Ms. Ash, Mr. Brown, Ms. Broyles, Mr. Collins, Mr. Pierson, Dr. Rinne, Mr. Spiker and Mr. Valdez. Also present: Carol Intlekofer, City Clerk; Barb Dorr, City Treasurer, and Dan White, City Attorney. The pledge of allegiance was recited.

Consent Agenda. (All agenda items listed with the designation of [CA] are considered to be routine items by the governing body and will be enacted by one motion. There will be no separate discussion on these items unless a member of the governing body so requests and support by two other members is received. Any item removed from the Consent Agenda will be considered in its normal sequence on the agenda.) Upon request by Dr. Rinne, and pursuant to support received by Mr. Collins and Ms. Ash, agenda item #14 was removed from the Consent Agenda. Upon request by Mr. Collins, and pursuant to support received by Dr. Rinne and Ms. Ash, agenda item #19 was removed from the Consent Agenda. Mr. Collins moved to approve remaining Consent Agenda items, seconded by Mr. Brown. Motion carried. Voting "yes" -- all members of the governing body present.

[CA] Minutes from Regular Meeting of the Governing Body on November 28, 2011. Motion (per Consent Agenda) carried.

Mr. Brown declared a conflict of interest (business interest) due to a voucher payable to Ameri-Tech HVAC Services, and vacated Council Chambers. Mr. Valdez moved to approve payment of vouchers as presented, seconded by Ms. Broyles. Motion carried. Voting "yes" -- all members of the governing body present in Council Chambers. Following announcement of the vote, Mr. Brown returned to Council Chambers.

Ordinance annexing to the City of Cheyenne, Wyoming, a parcel of land being situated at 5618 Townsend Place and described as the North 170 feet of Tract 6, Briney Tracts, Laramie County, Wyoming (generally located at the southwest corner of Townsend Place and east Carlson Street). Reporting for Public Services Committee, Mr. Collins moved to approve on third and final reading, seconded by Ms. Ash. Motion carried. Voting "yes" -- all members of the governing body present. (#3937)

Ordinance amending an existing PUD Ordinance, "Appendix #1" of the Cheyenne and Laramie County Zoning Ordinance 1988, for Block 5, Mountview Park, and that portion of the vacated right-of-way of East 19th Street as vacated under Ordinance No. 2001, Cheyenne, Wyoming (located at the southeast corner of the intersection of East Pershing Boulevard and Converse Avenue) ("Cole Shopping Center"). Gary Harrison, Concepts West Architecture, representative for the applicant, Safeway, Inc., briefly reviewed Safeway's redevelopment plans for the current Cole

Shopping Center site, noting the estimated \$20 million dollar investment project will include construction of new buildings. Jeff Fergot, Safeway corporate architect and design manager, clarified the new Safeway building will result in approximately 20-25 additional employees, and reviewed anticipated improvements to the property, which include a potential fuel facility and revamping of current retail buildings. He noted the importance of a timely decision by the City on the proposed roundabout intersection configuration, adjacent to the property, as it affects the site plan that will be submitted, the construction schedule, and the planned new store opening date, which has now been delayed to 2013. Mr. Collins moved to approve on third and final reading, seconded by Ms. Ash. Mr. Collins moved to amend by substitute, seconded by Ms. Ash. It was advised the substitute includes a building height limit of three stories unless approved by the Board of Adjustment, eliminates language restricting electronic message centers beyond what is currently in the City Code for the CB Community Business District, and a provision to make the ordinance effective only after the sale of the property. Motion to amend carried. Voting "yes" -- all members of the governing body present. Main motion as amended by substitute carried. Voting "yes" -- all members of the governing body with the exception of Mr. Allen who did not vote (arrived at the meeting as roll call (voting) was in progress. (#3938)

Ordinance amending Title 17, Zoning, Chapter 17.08, Zoning Districts Established and Section 17.08.040 Cheyenne City Map of the Cheyenne City Code, by changing the zoning classification from MR-1 Medium Density Residential – Established District to MUB Mixed Use with Business Emphasis District for Lots 5, 6 and the west 44-feet of Lot 7, Block 110, Original City, Cheyenne, Wyoming (located at the northeast corner of the intersection of Warren Avenue and E. 25th Street). Mr. Collins moved to approve on third and final reading, seconded by Ms. Ash. Concern was expressed with businesses encroaching into residential areas. Motion carried. Voting "yes" -- all members of the governing body with the exception of Dr. Rinne voting "no". (#3939)

Ordinance amending Title 17, Zoning, Chapter 17.08, Zoning Districts Established and Section 17.08.040 Cheyenne City Map of the Cheyenne City Code, by changing the zoning classification from LR-2 Low Density Residential – Developing District to NB Neighborhood Business District for Lot 6, Block Three, and Lot 6, Block Four, Sundance Ridge II, Cheyenne, Wyoming (located north of Storey Boulevard, on either side of Sycamore Road). Dr. Rinne declared a conflict of interest (nearby property owner interest) and vacated Council Chambers. Katharine Wilkinson, speaking on behalf of April Brimmer Kunz and Carol and Art Merrill (residents in the vicinity), reviewed the residential ownership and non-commercial nature of the area on the north side of Storey Blvd. She expressed the following concerns: Future of the vicinity relative to commercial vs. residential uses, spot zoning, visual aesthetics, traffic volume, maintaining residential integrity of the area, fill dirt issues, and lack of restriction on types of businesses that may be allowed. Jack Knudson and Sharon Knudson reviewed the development of the in-house business located in the area affiliated with a past zone change; expressed concerns with spot zoning and future potential commercial development off Storey Blvd., and discussed the neighborhood's environment, future planning decisions, and neighborhood quality of life issues. Bob Parry, owner of Kiki's Kandles, and Ed Clark spoke in support of the development affiliated with the proposed zone change, commenting that the project fits with the PlanCheyenne document, promotes jobs and sales tax revenue, and brings water and sewer infrastructure to the area. Reference was also made regarding current businesses in the vicinity. Rick Hunnicutt, President, Western Development Corporation,

summarized how the area in general had changed due to The Pointe subdivision; commented on current businesses, including a church, in the Storey Blvd. area that have been built and that proposed commercial use would be for office space, not bars or restaurants; reviewed infrastructure that has been implemented in the neighborhood due to the current development project, and advised the project will result in a nice subdivision. Mr. Collins moved to approve on third and final reading, seconded by Ms. Ash. Upon inquiry, Brett Walker, Development office, provided information on zoning differences between commercial Community Business vs. Neighborhood Business Districts, and allowable uses by right in a Neighborhood Business District. Motion carried. Voting "yes" -- all members of the governing body present in Council Chambers. Following announcement of the vote, Dr. Rinne returned to Council Chambers. (#3940)

Ordinance annexing to the City of Cheyenne, Wyoming, a parcel of land being situated in a portion of the Northeast Quarter (NE1/4) of Section 1, Township 13 North, Range 67 West of the 6th P.M., Laramie County, Wyoming (generally located north of and adjacent to West Lincolnway and east of and adjacent to the BNSF Railroad) -- referred to Public Services Committee (sponsor - Mr. Collins).

Ordinance amending Chapter 5.08, Business License Fees, Section 5.08.010, Amusements, of Title 5, Business Licenses and Regulations, of the Cheyenne City Code pertaining to the license fee for conducting a theater business -- referred to Finance Committee (sponsor - Mr. Collins).

Resolution authorizing the City of Cheyenne, through the City Attorney's Office, to commence condemnation proceedings to obtain real property located at 1900 Converse Avenue necessary for the completion of the East Pershing Boulevard Reconstruction Project (Phase 4) (2003-2006, 2007-2010 1% Sales Tax). John Palmer spoke in opposition to the resolution, commenting on project planning concerns, and suggested further discussions be held with affected property owners regarding possible other roundabout configuration alternatives in lieu of eminent domain proceedings. Danny James questioned the status of an alternative to the currently proposed roundabout design that he presented at the last City Council meeting which involved changing the timing of the lights to help control traffic. In response, Doug Vetter, City Engineer, advised City staff had reviewed the plan and concluded a signal timing plan was not a viable option due to traffic volumes and current intersection problems. He expressed appreciation to Mr. James for submitting the alternate proposal. Alex Davison, attorney representing the land owner involved in the potential condemnation action, extensively reviewed the land owner's issues and concerns regarding the intent of the resolution and affiliated issues, and submitted a written position (i.e. City and property owner) summary (on file with office of City Clerk), explaining the summary's contents and referencing a December 8, 2011 letter involving the "last offer". His comments included the following topics: Property value and differences in appraisals that had been acquired; damage components to the property due to the proposed roundabout configuration; engineer's estimate of the corridor plan; alternate roundabout plan from MTJ Engineering he had previously submitted to the City; City's acquisition of the parcel desired for the roundabout vs. acquisition of the entire business property site; future planning and zoning exemptions that may be required for any commercial activities at the former Hollywood Video business site due to loss of the parcel the City wishes to acquire; property access/egress issues; potential loss of future income to the property owners; ground contamination issues; City's monetary offer amount to acquire the parcel desired for the roundabout

project and City funds that could be available to purchase the entire property (in re: reference to information contained within the Ayres Associates July 2009 plan). Scott Larsen, Benchmark Engineers, reviewed information on the alternate dual roundabout configuration as prepared by MTJ Engineering, stating the engineer, from Wisconsin, was unable to be present at the meeting. During his comments he noted the alternate proposal had been submitted by MTJ as a conceptual design layout and that there are typically changes in design that occur between conceptual and final design stages, and reviewed benefits of a dual road design. Mr. Davison spoke in favor of two smaller (dual) roundabouts being constructed at the intersection which would result in less impact to the property owner. He advised the last offer on the table from the property owners was for the dual roundabout design and the option for the City to purchase their entire property; stated negotiations can continue but probably will not “bear fruit”, and briefly discussed the elements surrounding a condemnation action through the courts relative to the City and his client. Tom Mason, Director of Metropolitan Planning Organization, provided information on how the proposed roundabout plan was developed through professional engineering services, and affiliated preliminary estimated project costs; explained the different design phases utilized prior to proceeding to the final design, advising of the different engineering firms that were involved, and noted a competitive bidding process was used throughout the design phases. Nathan Beauheim, Assistant City Engineer, provided information on right-of-way acquisition and areas involved in the roundabout construction project; expressed concerns with the proposed alternate dual design, as referenced by Mr. Davison and Mr. Larsen, as it would require additional property; advised the proposed signalized traffic light option, as suggested by Mr. James, would require additional property needed to achieve separation, and commented that the goal has been to only acquire property needed for the intersection project. He reviewed the project’s site design area and changes that had been made resulting in the final design; stated there was a wide disparity between the parties regarding property values, and noted the eminent domain process allows a third party (i.e. court) to decide issues, including just compensation, and provides an opportunity for parties to present their case. Matt Ashby, Planning Services Director, provided information relative to the zoning variance process that may be desired for the remaining property not needed for the project; possible role of the City involving a variance request; different elements the Board of Adjustment would consider when reviewing variance requests, and the potential option of a development agreement for future uses. Upon inquiry, Dan White, City Attorney, reviewed the process involving eminent domain proceedings pursuant to state law that would occur if the resolution was adopted, which would include a right of entry court hearing, a determination by the court as to whether the City could use the property for purposes of the construction project and, if so, a review by the court as to the difference in the parcel’s value before and after the taking to determine a reasonable compensation amount. Following a five minute recess to allow Mr. White to provide copies to Council members of an e-mail correspondence previously referenced by Mr. Davison during his comments, Mayor Kaysen reconvened the meeting at 7:50 p.m. Mr. Valdez reported there was no recommendation from Finance Committee on the item. Mr. Brown moved to adopt, seconded by Mr. Collins. Mayor Kaysen clarified for the record that Mr. White had provided Council members with a copy of the e-mail Mr. White had sent to Mr. Davison pursuant to the purpose of the recess and, upon inquiry, Mr. White described the topics content contained in the e-mail. Upon inquiry, Mr. Vetter stated he did not believe there were significant differences in state licensing requirements for an engineer’s license in Wyoming vs. Colorado. Upon inquiry, Mr. Davison stated the engineering firm hired to design an alternate roundabout configuration was not a Wyoming firm, noting the alternate design was a concept. Upon

inquiry involving the previous Henderson Basin Flood Control Project in the vicinity, Mr. Beauheim provided information on the flood control project relative to the Hollywood Video site, drainage detention and proposed reconstruction of the intersection. Discussion included the following topics: Purported areas of non-reconciliation between the City and property owner; moving forward with condemnation proceedings to allow for an unbiased third party review (i.e. court system); potential exemption requests for future variances for non-conforming use for land owner's remaining property not needed for the intersection project; purchasing of the entire property in addition to the parcel needed for the construction project, and concern with moving forward with a condemnation process. Upon further inquiry regarding condemnation proceedings, Mr. White explained issues the court would review to determine the value of the property involved in the proceedings. Discussion continued on the reconstruction intersection project; traffic flow/volume studies and future increased traffic volume projections for the area; access traffic flow points relative to the location of the intersection; reasonable purchase price for property parcel the City wishes to acquire for the project; neutrality element of court process to address property issues; intersection improvement needs; fiduciary responsibility to taxpayers; differing property appraisals; Safeway redevelopment project; neighborhood benefits, and concern with implementing eminent domain procedures. Motion carried. Voting "yes" -- Ms. Ash, Mr. Brown, Ms. Broyles, Mr. Collins, Dr. Rinne and Mayor Kaysen. Voting "no" -- Mr. Allen, Mr. Pierson, Mr. Spiker and Mr. Valdez. Following announcement of the vote and upon inquiry by Mayor Kaysen, Mr. Davison shared that he (i.e. property owners) was obviously open to further discussions, however, he will recommend to his clients that they put their property up for sale. (#5335)

Resolution authorizing the submittal of an application to the Wyoming State Loan and Investment Board for a \$3.0 million loan from the State Revolving Fund for the City of Cheyenne Hydroelectric Generation Facility Project and authorizing the Mayor, City Clerk and the Director of the Board of Public Utilities to sign all loan documents (Drinking Water State Revolving Fund). Mayor Kaysen declared a conflict of interest (family affiliated financial interest), relinquished duties of the chair to Council President Dr. Rinne, and vacated Council Chambers. Mr. Valdez moved to adopt, seconded by Mr. Brown. Upon inquiry, Bud Spillman, Cheyenne Board of Public Utilities (BOPU), advised Cheyenne Light, Fuel and Power currently doesn't have a rate in place for hydroelectric power set up in its system and they are reviewing this further. Mr. Spillman stated it is believed the rate fee would be paid out of the sales revenue generated from the facility. Motion carried. Voting "yes" -- all members of the governing body present in Council Chambers. Following announcement of the vote, Mayor Kaysen returned to Council Chambers with Council President Dr. Rinne returning duties of the chair to Mayor Kaysen. (#5336)

[CA] Resolution approving Outside User Water/Sewer Services, by User's Agreement, with Swan Ranch Properties, LLC, Lot 2, Block 1, Swan Ranch Rail Park, 3rd Filing, Laramie County, Wyoming. Motion (per Consent Agenda) carried. (#5337)

[CA] Resolution certifying that the Governing Body of the City of Cheyenne approves of the Pine Bluffs projects to be submitted to the State Loan and Investment Board for the 2011 Countywide Consensus Block Grant funding. Motion (per Consent Agenda) carried. (#5338)

Resolution supporting the City of Cheyenne's application for a Land and Water Conservation Fund Grant for the Martin Luther King Park Tennis Court Project. Mayor Kaysen announced staff had requested this item be withdrawn from the agenda. Rick Parish, Parks and Recreation Director, advised one of the funding partner elements essential to grant funding requirements could not be met and, therefore, the project could not move forward at this time. He stated another proposed project for consideration would be introduced under other business later in the meeting. There being no objections raised by members of City Council, Mayor Kaysen announced the item would be withdrawn from the agenda.

[CA] Resolution authorizing the Mayor and the City Clerk to sign a Final Plat for Sundance Ridge II, a replat of Lots 1-6, Block 1, and Lots 1-6, Block 2, Sundance Ridge I, Cheyenne, Wyoming (located north of Storey Boulevard, on either side of Sycamore Road). Motion (per Consent Agenda) carried. (#5339)

Resolution authorizing the City of Cheyenne, Wyoming, to lease, with an option to purchase sanitation, recycling and landfill equipment (Solid Waste fund). Mr. Valdez moved to adopt, seconded by Mr. Brown. Query was made regarding certain language contained in Sections 1 and 5 of the resolution with Dan White, City Attorney, advising that the wording is typically requested by the bank financing the equipment and allows for flexibility to change the lease agreement wording relative to such last minute details as the date of closing and interest rate, and to protect the transaction if language is found in the past that is inconsistent with new language in future resolutions. Mary Keating-Scott, George K. Baum and Co., financial advisor to the City on the proposed lease/option to purchase transaction, clarified the intent behind the two sections was as explained by Mr. White; advised the resolution had been prepared by bonding attorney Barbara Bonds, and that the language was the same as used in the past. Motion carried. Voting "yes" -- all members of the governing body. (#5340)

[CA] Resolution confirming the terms of appointment for members of the Laramie County Community Juvenile Services Joint Powers Board -- referred to Public Services Committee (sponsor - Mr. Pierson).

[CA] Preliminary Plat for North Cheyenne Community Park, Second Filing, a replat of North Cheyenne Community Park, Cheyenne, Wyoming (located north of and adjacent to Storey Boulevard, east of and adjacent to Chief Washakie Avenue) -- referred to Public Services Committee.

[CA] Preliminary Plat for Rivett Subdivision, a portion of the Northeast Quarter (NE 1/4) of Section 1, Township 13 North, Range 67 West, of the 6th P.M., Cheyenne, Wyoming (located north of and adjacent to W. Lincolnway, east of and adjacent to the BNSF Railroad) -- referred to Public Services Committee.

Grant of non-exclusive easement to Suncor Energy Pipeline Company for a parcel of real property located in a portion of Section 21, 22, and 27, T.14.N, R.66W., City of Cheyenne, Laramie County, Wyoming. Mr. Valdez moved to approve, seconded by Mr. Brown. Mr. Valdez moved to amend by substitute which includes Exhibit B, seconded by Mr. Pierson. Erik Rasmussen, Deputy

City Attorney, advised the initial agenda packet information submitted did not include Exhibit B, the Memorandum of Agreement, which contains a compensation provision to the City and the proposed amendment is to incorporate Exhibit B to ensure the City is paid by Suncor for the easement within 30 days of execution of the agreement. He further reviewed how the dollar amount was arrived at and clarified the pipe line is in place. Upon inquiry, Megan Romano, Suncor Energy representative, confirmed that crude oil runs through the pipeline. Motion to amend carried. Voting "yes" -- all members of the governing body. Main motion as amended carried. Voting "yes" -- all members of the governing body. (#5782)

[CA] Amended and Restated Lease Agreement to Contract No. 2660 between the City of Cheyenne and Safehouse/Sexual Assault Services, Inc., for the City-owned property located at 714 West Fox Farm Road, Cheyenne, Wyoming -- referred to Finance Committee.

[CA] Memorandum of Understanding between Laramie County, City of Cheyenne, Cheyenne Board of Public Utilities, Cheyenne/Laramie County Board of Health and Cheyenne Regional Airport Board regarding the management of the Environmental Systems Research Institute (Esri) Enterprise License for the Cooperative Geographic Information Systems (GIS) program, and authorizing the City of Cheyenne as a software user participant in the Multi-Jurisdictional Licensing Agreement -- referred to Finance Committee.

[CA] Contract Modifications No. 1, 2 and 3 to Contract No. 5740 between the City of Cheyenne, Parks and Recreation Department, and Academy Sports Turf, LLC, for additional sub soil replacement for the Pioneer Park Baseball Field-Infield Renovation Project (SLIB funding) -- referred to Finance Committee.

[CA] Contract Modification No. 1 to Contract No. 5776 between the City of Cheyenne, Public Works Department, and E/S3 Consultants, Inc. for Energy Project Consulting Services. (Energy Development fund) -- referred to Finance Committee.

[CA] Consideration of Bid #R-15-12 for furnishing one new 2011-2012 ½ ton pickup for the City of Cheyenne, 1% Construction Division, from Spradley Barr Motors of Cheyenne (2011 - 2014 1% Sales Tax). Motion (per Consent Agenda) carried (amount not to exceed \$22,897.00).

[CA] Consideration of Bid #R-16-12 for furnishing two new 2011-2012 4x4 light duty compact pickup trucks for the City of Cheyenne, Parks and Recreation Department, from Spradley Barr Motors of Cheyenne (2011 - 2014 1% Sales Tax). Motion (per Consent Agenda) carried (amount not to exceed \$50,172.00).

[CA] Consideration of Bid #R-17-12 for furnishing one new 2011/2012 motor grader for the City of Cheyenne, Sanitation and Landfill Divisions (State EPA Grant & Solid Waste Management fund) -- referred to Finance Committee.

[CA] Consideration of Bid #R-18-12 for furnishing three new 2012 four wheel/all wheel drive utility vehicles for the City of Cheyenne, Fire and Rescue and Planning Departments (2007 - 2010 1% Sales Tax and General fund) -- referred to Finance Committee.

Appointment of Lois A. Huff as City Treasurer for the City of Cheyenne. Mr. Collins moved to approve, seconded by Mr. Brown. Motion carried. Voting “yes” -- all members of the governing body with the exception of Mayor Kaysen who did not vote (Mayoral appointment).

Appointment of Charis Kepper to the Art in Public Places Committee; J. Terry Williams to the Cheyenne Housing Authority Board; Joe Patterson to the Contractor Licensing Board; Stephanie Lowe and Wesley Peterson to the Historic Preservation Board; April Matthie to the Housing & Community Development Advisory Board; Barbara Schutkowski-Fortish and Connie Hand to the Mayor’s Council for People with Disabilities; Francis J. Dennis to the Public Transit Advisory Board, and Sue E. Mecca to the City of Cheyenne Personnel Commission. Mr. Valdez moved to approve, seconded by Mr. Collins. Motion carried. Voting “yes” -- all members of the governing body with the exception of Mayor Kaysen who did not vote (Mayoral appointments).

Re-Appointment of John Lytle and Marcia Mead to the Art in Public Places Committee; Nicole Novotny Smith, Beverly Bowman and Jody K. Malm to the Board of Adjustments; Joel McKee and Keith Fox to the Building Code Board of Appeals; Mark Walter to the Contractor Licensing Board; Mark Hardee to the Fire Civil Service Commission; Rick Ammon, Wendy Owen and Belinda Kolb to the Historic Preservation Board; Stephen M. Ganison, Carol Slane, Khale Lenhart and Lorna H. Sanders to the Housing & Community Development Advisory Board; Pete Illoway to the Cheyenne Airport Board; Russ Pollard to the Police Civil Service Commission, and Rita Watson to the City of Cheyenne Personnel Commission. Mr. Valdez moved to approve, seconded by Mr. Brown. Motion carried. Voting “yes” -- all members of the governing body with the exception of Mayor Kaysen who did not vote (Mayoral appointments).

Announcement was made of a Public Meeting to be held Tuesday, December 20, 2011 starting at 6:00 p.m. in City Council Chambers, 2101 O’Neil Avenue, Cheyenne, Wyoming, to receive input and comments for gathering information on possible projects for the inclusion on the 1% Specific Purpose Sales Tax election ballot, which has been scheduled for August 21, 2012.

Announcement was made that due to the Christmas holiday and City offices being closed on Monday, December 26, 2011, the regularly scheduled meeting of the Governing Body will instead be held on Tuesday, December 27, 2011 beginning at 6:00 p.m. in City Council Chambers, 2101 O’Neil Avenue, Cheyenne, Wyoming.

Announcement was made of a Public Hearing to be held December 27, 2011 at 6:00 p.m. in City Council Chambers for a microbrewery permit application filed with the City Clerk's Office for Freedoms Edge Brewing Co., LLC d/b/a Freedoms Edge Brewing Co., 301 W. 16th Street, Cheyenne, Wyoming.

Announcement was made of a Public Hearing to be held December 27, 2011 at 6:00 p.m. in City Council Chambers for a microbrewery permit application filed with the City Clerk's Office for Freedoms Edge Brewing 2, LLC d/b/a Freedoms Edge Brewing Co., 1509 Pioneer Avenue, Cheyenne, Wyoming.

Announcement was made of the Appointment of Terrence Bell to the Laramie County Community Juvenile Services Joint Powers Board, to be confirmed December 27, 2011.

Announcement was made of the Re-Appointments of Betsy Putnam, Ronn Jeffrey, Alfrieda Gonzales, Diane Lozano, Dr. Richard Berry, Craig Jones, Ester Davison, William Long, Gus Lopez, Ross McKelvey, Danny Glick, Jeff Lamm, Rick Robinson and Gay VanHorn to the Laramie County Community Juvenile Services Joint Powers Board, to be confirmed December 27, 2011.

Under other business:

Rick Parish, Parks and Recreation Director, explained a proposed resolution for introduction that will support an application for a Land and Water Conservation grant for a playground expansion project in Holliday Park that will address ADA accessibility issues. Upon request, Carol Intlekofer, City Clerk, read the resolution entitlement as follows: "A Resolution supporting the City of Cheyenne's application for a Land and Water Conservation Fund grant for the Holliday Park West Playground Expansion Project." It was noted that Councilman Valdez was sponsor of the resolution. Mayor Kaysen referred the item to Finance Committee.

There being no further business to come before the governing body, Mayor Kaysen adjourned the meeting at 8:48 p.m.

Submitted by,

Carol Intlekofer, MMC
City Clerk
