

STAFF REPORT

North Cheyenne Community Park, Second Filing Summation

Final Plat (replat)

CASE NUMBER: Final Plat-12-00005

FILE CODE: NCCP-F

PREPARED BY: Jim Flesher

MEETING February 6, 2012 – Planning Commission - 30-day continuance

DATES: March 5, 2012 - Planning Commission - 30-day continuance

April 2, 2012 – Planning Commission

April 9, 2012 – City Council

REQUIRED DOCUMENT SUBMISSION:

- All required documents have been submitted and reviewed by staff.
- Final Plat Map

RECOMMENDATION: The Development Office recommends the Final Plat proceed to the governing body with the following conditions:

Minimum requirements by law:

1. Show drainage easements satisfactory to the City Engineer before signatures are affixed to the map.
2. Add “and do hereby dedicate for public use the rights-of-way of Storey Boulevard, Blue Bluff and Canyon Road as shown thereon.”

STAFF REPORT UPDATE (4/3/12): At its regular meeting on Monday, April 2, 2012, the Cheyenne Planning Commission recommended approval of the Final Plat by a unanimous vote of 4 to 0, with staff conditions 1 and 2.

Cheyenne WY 82001

REQUEST: Final Plat

PURPOSE: Reconfigure lot and right-of-way lines

LOCATION:

- (1) Legal Description: Replat of North Cheyenne Community Park
- (2) General Location: North of and adjacent to Storey Blvd., east of and adjacent to Chief Washakie Ave.
- (3) Address: TBD
- (4) Map Page: D-50

SIZE: Total: 173.48 acres
Right-of-way: 11.06 acres
Smallest lot: 4.27 acres
Largest lot: 117.52 acres
Average lot: 54.14 acres

ZONING: P – Public District

EXISTING LAND USE: Vacant land, City park with soccer fields, Storey Boulevard right-of-way

PROPOSED USE: None at this time

RECOMMENDED USE PER ADOPTED LAND USE PLAN: *Public and Quasi-Public and Parks and Open Space (PlanCheyenne 2006).* The Public and Quasi-Public category includes existing uses related to community services, such as fire stations, schools, libraries, community centers, hospitals, civic buildings, utilities and cemeteries. It also includes churches and places of worship. The Parks and Open Space category includes public and private open space, public and private parks, country clubs, and golf courses as appropriate uses. Some public utilities or facilities may also be appropriate. This category may also include natural/cultural resource areas.

DESCRIPTION OF SITE AND SURROUNDINGS: The site is vacant except for two accessory buildings utilized by the City Parks Department and several soccer fields. The subdivision includes portions of Storey Boulevard, Blue Bluff and Canyon Road. Running parallel to Storey Boulevard is a greenway with a pedestrian underpass under Storey Boulevard west of Canyon Road. Unincorporated, unplatted state property abuts the subject property to the north. On the east side is the unincorporated Crestmoor West Subdivision, platted in 1974. On the west side is Mustang Ridge Subdivision, platted in 1993 and annexed to the City in 1995. On the south side across Storey Boulevard is Crest Ridge, which was annexed in 1979 and platted the same year in the City.

SURROUNDING	LAND USE(S)	ZONING	ANNEXATION STATUS
North	Vacant	A-1/P	County
South	Residential	MR-2	City
East	Residential	A-1	County
West	Residential	AR	City

Looking northwest from Canyon, north of Storey Blvd

Looking southwest from Canyon toward Storey

Looking east from Chief Washakie along Storey

HISTORY OF AREA: A portion of the property was annexed in 1987 and the remainder was annexed with the original plat for North Cheyenne Community Park in 1997. Storey Boulevard extension was opened in the fall of 2005 in its current location rather than where it was originally platted.

In 2008, the preliminary plat for the replat was acknowledged and the final plat was submitted on June 25, 2008, but withdrawn following opposition from neighboring property owners. At that time, a zone change was being considered concurrently with the platting, which was also withdrawn.

The property is zoned P – Public. The privately owned 4.27-acre Lot 3 is required to be rezoned prior to any development occurring, in accordance with Section 17.80.010 of the City Code. The current application is only in regards to the replat.

FINAL PLAT DATA: This 173.48-acre replat consists of three lots and approximately 11 acres of right-of-way for Storey Boulevard, Blue Bluff, and Canyon Road. The right-of-way for Storey will be realigned where the road exists and will be wider than the current right-of-way of 100 feet in order to accommodate the existing road and greenway. Canyon and Blue Bluff will remain 60 feet.

Lot 1 is a 40.63-acre school district property. Lot 2 is a 117.52-acre property owned by the City and containing the North Cheyenne Community Park. Lot 3 is 4.27 acres and is owned by Cheyenne Ice and Events Center, LP.

If necessary, a development agreement regarding the drainage will be brought before the City Council for approval prior to recording the plat.

REVIEWING AGENCY AND REVIEWERS COMMENTS:

Traffic Engineering:

A Transportation Worksheet to determine TIA/TIS requirements has not been submitted. A Traffic Study will be required at such time that the adjacent properties develop (ref. Ch. 3, RSSPDS).

Drainage Engineering:

The proposed Lot 3 is a stormwater detention pond. This pond was mandated by the City in the early to mid 1980's for the Crest Ridge development. The pond was expanded by WyDOT with the Storey Boulevard project. There is significant drainage to the pond, and during a 100-year storm more than 80 percent of the lot would be under water. This lot should be identified on the Plat as a stormwater pond and/or easements covering the flooded area included with the Plat. If Lot 3 is proposed to be developed as anything other than a stormwater pond, at a minimum the existing storage needs to be replaced prior to development of Lot 3. [Please see the attached drawing of potential drainage easements.]

Land Record Technician:

Looks generally acceptable.

AGENCIES AND REVIEWERS RESPONDING WITHOUT COMMENTS: BOPU, Optimum, Cheyenne Light Fuel & Power, County Assessor, Engineering, Engineering Tech, Fire, School District #1, MPO, CenturyLink

AGENCIES AND REVIEWERS NOT RESPONDING: City Surveyor, County Planning

OTHER COMMENTS RECEIVED: None.
