

CONTINUING CONTROL ACKNOWLEDGEMENT

The Cheyenne Transit Program is purchasing a vehicle(s) for use in its Transportation Program with a grant from the Wyoming Department of Transportation (WYDOT) using Federal Transit Administration (FTA) pass through funding. As a condition of this grant agreement with WYDOT, the Cheyenne Transit Program understands that the vehicle must be used in the manner described in the grant agreement and that this vehicle(s) has a minimum useful life of five (5) years or 100,000 miles. Additional details for the vehicle use, disposal and useful life can be found in the *Use of Project Equipment* section of the grant agreement and the *State Management Plan*. Signing below indicates that you acknowledge and understand these requirements and will present this form to your respective County Clerk during vehicle licensing.

Vehicles purchased all or in part with federal and/or state funds through the WYDOT and the FTA cannot be used as collateral or traded without the express permission in writing from WYDOT. During the useful life of the vehicle(s), the Cheyenne Transit Program and the WYDOT must certify to the FTA that the vehicle is being maintained and used in accordance with the grant agreement. The Cheyenne Transit Program shall present a copy of this form to the Laramie County Clerk along with the title paperwork when licensing the vehicle to ensure the appropriate steps are taken to ensure the continuing control of federally funded assets.

TO: LARAMIE COUNTY CLERK

To be in compliance with the FTA and the WYDOT for grant funding, the statement below should be conveyed on the face of the vehicle title. It is the Cheyenne Transit Program's responsibility to advise title issuing agencies a vehicle was purchased with funding.

Please place the following statement in a conspicuous place on the face of the title for this vehicle(s):

"WYDOT Grant – Restricted"
