Laramie County Commissioners
310 West 19th Street, Suite 300
Cheyenne, WY 82001

Dear County Commissioners:

The Laramie County Early Childhood Education and Development Joint Powers Board was formed to administer a SLIB grant that was applied for in 2009 that would have built a new Child Development Center in the Cheyenne Business Park. The grant was not approved by the SLIB board and with no other existing business or new business for the Board to address we are requesting the dissolution of this Joint Powers Board.

The board has not met in quite some time and there are no financial obligations outstanding. The Board members agree that the dissolution of the Joint Powers Board would be best for all entities involved.

When the Laramie County Early Childhood Education and Development Joint Powers Board was formed, no operating funds were provided by the College and/or the two governmental entities (Laramie County and City of Cheyenne) involved.

Any questions regarding this request for dissolution can be referred to Mr. Rod Hottle at 307-638-8904, ext. 15.

Sincerely,

Rod Hottle
Secretary
Laramie County Early Childhood Education and Development Joint Powers Board

CC: Mayor of Cheyenne
President, Laramie County Community College
