9. City Liability. Neither the execution and delivery of this Assignment nor any failure on the part of any person preparing the Development Items to comply with, honor and perform in accordance with any agreements made by that person shall affect the liability of any party to pay and perform the obligation under the PSA and Lease.

10. No Release. The taking of this Assignment by the Bank shall not effect the release of any other collateral now or hereafter held by Bank as security for the obligations described in the PSA or Lease, nor shall the taking of additional security for the obligations described in the PSA or Lease hereafter effect a release or termination of this Assignment or any terms, conditions or provisions hereof.

11. Termination. Upon payment in full of the Purchase Price and all other sums due if City exercises its option to purchase the Project described in Article 10 of the Lease, this Assignment shall cease, terminate and be of no further effect; provided, however, that the affidavit, certificate, letter or statement of the Bank or any officer, agent or attorney of the Bank showing any part of the Purchase Price or other amounts payable for the exercise being unpaid shall constitute conclusive evidence of the validity, effectiveness, and continuing force of this Assignment and any person may, and is hereby authorized to, rely thereon. 12. Further Assurances. City, upon request of the Bank, shall execute and deliver such additional documents, including but not limited to financing statements, and do such other acts as may be reasonably necessary to fully implement the intent of this Assignment and to perfect and preserve the rights and interests of Bank hereunder and the priority thereof.

13. Inurement. Time is of the essence hereof. This Assignment shall be binding upon City and its successors and assigns and shall inure to the benefit of Bank and its successors and assigns. This Assignment, however, is not intended to confer any right or remedies upon any person other than the parties hereto and their successors and assigns.

14. Payment of Costs. City shall pay all costs and expenses, including without limitation, court costs and reasonable attorneys' fees, incurred by the Bank in enforcing performance of the obligations of City or in exercising the rights and remedies of the Bank hereunder. All such costs and expenses shall be secured by this Assignment and shall be paid by City to Bank as Additional Rent under the Lease. In the event of any court proceedings, court costs and attorneys' fees shall be set by the court and not by jury and shall be included in any judgment obtained by the Bank.

15. No Waiver. No failure or delay on the part of the Bank in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies hereunder are cumulative and may be exercised by Bank either independently of or concurrently with any other right, power or remedy contained herein or in any document or instrument executed in connection with the PSA or Lease.

A carbon, photographic or other reproduced copy of this Assignment and/or any financing statement relating hereto shall be sufficient for filing and/or recording as a financing statement.
