APPLICANT: TOWN OF ALBIN

NAME OF PROJECT: ALBIN AMBULANCE

PROJECT DESCRIPTION:

The Town of Albin is requesting \$100,000.00 in funding to purchase an ambulance to replace the aging ambulance that the town's volunteer fire department (Fire District #3) is currently using. Due to the distance required to travel to receive medical attention, our ambulance travels numerous miles. The need is very high for our fire department to have a reliable and up to date ambulance to transport patients to receive the medical care that they need.

ADDITIONAL INFORMATION PROVIDED BY THE APPLICANT

APPLICANT: TOWN OF ALBIN

NAME OF PROJECT: COMMUNITY CENTER IMPROVEMENTS

PROJECT DESCRIPTION:

The Town of Albin is requesting \$15,000.00 in funding the Community Center Improvements Project

- Additional key card and security equipment \$10,000.00

The Community Center placed a security camera in the main lobby and 4 key card locks on office, pool, and main doors. The completion of this project would be to install 4 more cameras and locks on a few more doors. This would increase the buildings safety and decrease abuse done to the gym, pool, carpet, and building as a whole.

- Swamp Cooler for the gym \$2,500.00

The gym is not air conditioned due to the cost it would incur. There are several events held at the Community Center that would benefit greatly from having the swamp cooler to decrease the temperature and make it a more enjoyable atmosphere.

- Acoustic baffles for the gym \$2,500.00

The gym does not have any type of sound baffles installed, so the noise level is often very high making it difficult to hear. The installment of the baffles would make the gym a better environment for players, coaches, and spectators.
